HOUSTON NEGRO HOSPITAL
Fire Insurance

Mr. J. Y. Powell,
Building.

Dear Sir:

Replying to your letter of June 12th, with reference to Atlas
Policy, No. 21202, now in the name of Fidelity Trust Company.

This policy, originally written in the amount of \$10,000.00,
has been increased from time to time until it now covers an amount of
\$40,000.00. As all of the contracts covering construction are in the
name of Fidelity Trust Company, I presume that it is proper that the
insurance should stand; however, if, as and when, title might pass out of
Fidelity I suppose thought will then be given to the assignment of the
insurance.

Very truly yours,

(SIGNED) E. G. FLOETER
