Mrs. Minnie Fisher Cunningham,

Austin, Texas;

Dear Friend ;

Never since Mrs. Sells  
my daughter Ruth and I organized the Cleburne Equal Suffrage  
Association and you came to speak for us have we had such a  
pleasant visitor as the one you sent us yesterday, Mrs.  
Frances E. Brewer. Mrs. Brewer is charming, tactful and an  
unusually good speaker, holding her audiences well.  
In company with Mrs. McCoy and Mrs. Brewer, we visited the  
mayor secured his protection for a street speaking date on  
busiest street in town then I could be with them no longer .  
The audience of the afternoon mostly farmers and business men  
were quite responsive. Mrs. McCoy arranged for speaking dates at both  
each theatre -good crowds at both. The Baptist preacher (first church  
introduced Mrs. B in the afternoon and at the centenary meet-  
ing Rev. Andrews (Methodist) made a rousing suffrage speech.  
Sunday another worker got all the ministers to refer to it -a  
dandy idea. Mrs. McCoy got some of the men yesterday to carry  
home our cardboard placards-good looking ones with a good in-  
scription-these are a few of the things being done-we are trying  
anyway. Just as soon as advisable after your supplements come  
that will be run\*I am advertising them ahead . Wish I could have  
had them for today's Good Roads issue of 5000 copies-one paper  
goes to every tax-payer in the county -we are trying hard to carry  
this for the 10' and when it is out of the way -we ought to have  
more time for suffrage. Good luck to us all- Mrs. Dunscomb.
