Houston, Negro Hospital,
sidewalks.

Judge W. W. Moore,
Building.

Dear Sir:

Mr. George Bringhurst paving Engineer of the city of Houston advises that the cost of the sidewalks around the Negro Hospital grounds will run under the \$1000.00 mark and that he will consult with the City Engineer, Nagle, today to see if the job can be handled informally.

It is Mr. Bringhurst's opinion that this can be done and the sidewalks will be completed before June 15th.

I shall advise you of further findings tomorrow.

Yours very truly,
