Dear Mr. Leiber,

It is usual, indeed traditional, for the Guest of Honour at a major sf convention to act as one of the judges in the Costume Ball; with your theatrical background and knowledge you are particularly well qualified to judge a costume ball anyway, so it's doubly appropriate for you to take this role at Seacon. The Fancy Dress Competition (as we call a costume ball over here) will be on Saturday night at 8 pm, with a preliminary run-through for photographers and for the judges to get a close look at costume details at 7 pm. We're delighted to ask you to be one of the judges; we don't expect it will be too onerous a task compared with some of the other ones expected of a Guest of Honour!

Best wishes,

Yours sincerely

Rob & Coral Jackson
