

NUMBER OF REPRESENTATIVES BY STATE  
TO NATIONAL CONFERENCE

The following list shows the number of representatives each State may select to the National Women's Conference to be held in Houston, November 18-21, 1977.

The number of representatives was computed on the basis of 10 per State plus twice the number of Congressional Districts in that State.

At-large delegates may also be appointed by the IWY Commission.

Alabama	- 24	✓ Maryland	100 - 26 542	Rhode Island	- 14 1112
