

MEMORANDUM

Houston, Texas,  
December 7, 1927.

HOUSTON NEGRO HOSPITAL

Mr. J. S. Cullinan,  
Building.

Mayor Holcombe had his secretary call me this morning to state that he regretted the tree and shrubbery planting had been neglected; that he had directed Mr. Brock to get in touch with me and see what is desired and see that the planting and other work is done, the cost of which the City would pay.

This for your information.
