

On 12/6/2002
The Chronicle - mentioned about metal
shops on 75 + / ship channel, were
caught when - storm drain down the block
clogged, leaving ~~water~~ a stream of
greenish yellow water that stained the
curb.

Co. draining waste into ditch everytime
it rained - workers dumping 5 gal of
fuel of liq waste on the side of the road.

Investig \sqrt{P} toxic levels of dang-
chemicals as cadmium, cyanide +
chromium - cause devastating health
prob
