

# FARRAR STORM IS NAMED QUEEN

## Student Fund Drive To Close Saturday; \$12,000 Subscribed

One Freshman Team  
Two Junior Teams  
Exceed Quotas

With approximately \$12,000 of the \$15,000 goal of the undergraduate drive for University building funds reported at class meetings Wednesday night, success of the student campaign was assured.

Student groups and team captains will continue solicitation of donations from undergraduates until Saturday, it was announced. Other students are now canvassing persons listed by the Alumni Association, under whose direction the student campaign is being conducted, and 50 per cent of funds raised in this canvas will be used to meet the undergraduate quota.

Final reports will be made Saturday.

The Freshman class with the top quota of \$6,300, 44 per cent of the entire assessment, reported an approximate \$4,000. One Freshman team, that of Johnnie Nicosia, reported oversubscription of its goal of \$1,260. Members of the Nicosia team are Louis Jones, Nanaline Williamson, Louise Pridgen, John Stewart, James Taylor, and Bobby Wilson.

Sophomore subscriptions totalled an estimated \$2,400, but no team

## Women's Division Sets \$100,000 Goal

Associate chairmen of the women's division of the University of Houston building fund campaign this week were making preliminary plans for a drive for \$100,000 of the \$1,000,000 subscription which will open Monday.

Members of the associate group were announced Tuesday by Mrs. Oveta Culp Hobby, general chairman.

Mrs. W. J. Roland presided Thursday morning at a meeting of the Reagan district group, and Mrs. C. J. Koenig was chairman at a meeting of the Lamar district Thursday afternoon at Sidney Lanier school. Last of the series of area meetings was to be that of the Austin-Milby district today, with Mrs. J. J. DeVoti, chairman, presiding.

Three area meetings were held Monday attended by more than 100 chairmen and team captains. The Jefferson Davis district met at the North Side Library with Mrs. J. L. McReynolds presiding. Mrs. Max Nathan was hostess in her home at a meeting of the Montrose district. San Jacinto, Southmore and Riverside, district met at the San Jacinto high school with Mrs. Herbert Childress, Mrs. J. Alston Clapp and Mrs. A. S. O'Brien as chairmen.

Lost—Wednesday evening, a Heights Library book on the life of Robert Browning. Finder return to Elizabeth Sprock in the University administration office.

## Downtown Division Starts Drive May 2 To \$100,000 Goal

200 Workers Feted  
At Banquet Monday  
By George Kelley

Activity of the downtown division of the University campaign to raise \$1,000,000 to erect four buildings on the new University campus will open Monday. Goal of the downtown division is \$100,000.

Two hundred workers and team captains of the group were guests of George Kelley's Texas Avenue banquet hall when they attend a pep rally Monday night.

Speakers included industrial and civic leaders who outlined the growth of the university and cited its need for permanent home.

In the group were C. A. (Neal) Pickett, division chairman, who presided, Dr. E. E. Oberholtzer, Judge Ewing Boyd, George A. Hill, Jr., Lewis W. Cutrer, H. Dick Golding, Dr. Wilmer M. Stevenson, Charles G. Heyne, Vincent Chido, Loran D. Adkins, Chester H. Bryan, A. J. Bannon, George A. Wilson.

Meat course for the dinner was steak served by Mr. Kelley from the prize steer he bought at the Houston Fat Stock Show.

In his address Dr. Oberholtzer said that the \$1,000,000 fund will be used to construct a science building, shop, arts and commerce building. He also traced the growth of the university from its founding as a

## Alumni Drive Extended A Week

Campaign To Close May 7  
Teachers' Donation Added  
To \$50,000 Quota.

The Alumni Association drive for \$50,000 of the million-dollar building fund for the Greater University of Houston has been extended for another week and will close May 7, according to Pat Foley, president.

At a meeting of the Association Tuesday night, Dr. W. W. Kemmerer and Dr. E. E. Oberholtzer announced that public school teachers' donation to the fund would be placed in the alumni quota instead of that of the public schools.

In an effort to increase University school spirit on the part of students, the Association voted to sponsor effort to effect a more extensive athletic program.

## Fourteen Beauties From High Schools Compete For Honor

## Registration For Summer Session Set For June 6-7

Term Scheduled To Start June 6  
And Close July 15

Registration for the 1938 summer session of the University of Houston will be held from 8 a. m. to 3 p. m., June 6 and 7.

According to announcement of the session made in a bulletin this week the first term will begin June 6 and close July 15. The second term which begins July 18 will end August 26.

Admission requirements to the summer school are the same as those for admission to the regular session school and faculty of the summer session will be composed of regular faculty members of the University supplemented by other educators.

Most classes will be held during the day from 7:30 in the morning to 1:30 in the afternoon, but some classes, particularly those in business administration, English and mathematics are proposed for the evening school at hours between 5 and 9:30 p. m.

The full load of courses for a student to carry during the session is six semester hours, which is two half-courses meeting 1½ hours each per day, for 5 days per week, for a period of six weeks. An equal amount may be completed in the second six weeks, making a total of 12 semester hours in the 12 weeks of the summer term.

## Fahy Godfrey Plays At All-Student Dance Following May Fete

Farrar Storm, Austin high school beauty, was named Queen of the eleventh annual University of Houston reception for high school seniors, at the city auditorium last night.

The group of five judges included Mrs. Ethel C. Breeding, Mrs. John T. Monroe, Everett Collier of the Houston Chronicle, Harold Young, city editor of the Houston Post, and Gordon Turrentine, of the Houston Press.

Announcement of the high school queen came as the climax to the featured event on the year's social calendar of the University.

Feature event of the reception was the May Fete in which royalty from the University and Houston high schools reigned.

A background of gold and spring flowers provided a regal setting for the throne of the royal group. Large palms and baskets of flowers flanked the center pyramid from which the royal party witnessed the entertainment provided in their honor.

Opening the ceremony was the presentation of the University Queen Louise Campbell and her king-

## Squires Club Plans Final Dance May 6

Pennington Ballroom, 5308 Alameda, will be the scene of the final Squire dance of the school year. Gerald Schlieff and his ten-piece University of Houston Swingsters will furnish the music for the event which will be held Friday, May 6. It will be a sport dance.

The ballroom, which was recently completed and is consequently new to the majority of the student body, was found to be the best site for the dance by a committee. It is conveniently located and will accommodate approximately two hundred couples.

Boyd Shinn is chairman of the dance committee. Don Miller and Henry Taub are in charge of the ticket sale. Decorations in the ballroom will be placed by Buster May and Clem Baldwin who are in charge of that group. Bill O'Connor is head of the floor committee.

T. W. Pearson is advertising manager for the dance.

### Notice

Squires dance, Pennington ballroom, 5308 Alameda, 9:30 p. m. Friday.

Houstonian coffee, home of Mrs. N. R. Lewis, 9 a. m. Sunday.

Aesculapian club coffee, 8 p. m. Tuesday.

## HERE'S HOW TO PLAN THAT NEW BUILDING

### Stadium, Sorority Houses, Swimming Pool With Water, Maybe a Couple of Classrooms, Feature "Skip's" Plans

By "Skip"

I am sure that the plans as drawn for the new University are very good, but for my lecture tonight I will offer some of my own ideas for the new institution of learning. And being hit in the head with a baseball bat when I was a child had absolutely nothing to do with the plans I am presenting tonight.

First, we will take one of the most important phases of college life into consideration in planning the new university; the athletics. Of course it is necessary to have a large stadium. The contractor would do well to take my advice and NOT erect a scoreboard until the football teams become organized. Let the teams play just for fun the first couple of years, and let's not keep score. You can't put moral victories in the trophy case.

Also, I am in favor of higher salaries for athletes. For example, take the sad case of Rye Institute. Back

in 1935 dear old Rye was supposed to have a championship team, but one of the star players decided to hold out and did not sign his contract until it was too late for the team to start winning. We certainly hope that our officials will not be so lax, and urge them to put their star players under contract well before the season opens.

The new school should also have a large swimming pool. I think it also necessary to set aside a fund so that the pool can be filled with water. Of course, the conservatives will probably set up a howl about the expense, but as George Washington said, "Swimming pools should contain water when people are swimming in them."

Now for the sororities. I want to go on record as a proponent for the college secret clubs. It is here that the students acquire knowledge that will be beneficial to them in later life.

Where else could they learn to "palm" a pair of dice so that the cubes consistently show with seven dots on top? Where else can they learn to deal from the bottom of the deck without being strung up from the campus flag pole? Where else can they learn to mix drinks that will not burn through an asbestos-lined stomach, yet will knock the consumer on his ear before he has finished his third drink? (Par for women is two drinks.)

The new university should also have a large dance hall, and a good orchestra on hand at all times. After all, if the school can hire professors, it can at least afford to keep good musicians on the pay-roll.

There are many other features that should be incorporated in any new university, but time and space will not permit me to list them here.

Oh yes, I almost forgot. In case there might be a student silly enough

## COMING THROUGH

Two weeks ago a call for \$15,000 to be used in the \$1,000,000 University of Houston building campaign was made to students.

Wednesday night about \$12,700 of this quota had been raised from some 1600 undergraduates. Members of the Freshman class with 44 per cent of the entire quota assessed to them had raised \$4,000 of their assessed \$6,300. One group had raised more than their goal of \$1260.

By their co-operation and ability to come through when needed, students of the University have set the pace for the main drives which will be started by other divisions of the campaign next week.

## MAY FETES AND GAS MASKS

Some 200 children of the Henry W. Longfellow elementary school held a May Fete Tuesday. The children who participated were dressed in gay costumes and masks worn by characters in such nursery as Peter Pumpkin Eater, Wee Willie Winkie, Humpty Dumpty, etc. They sang songs from "Snow White" and danced.

The children rollicked and played instead of marching with small guns and gas masks, singing a song of war, as foreign children are forced to do in dictator-ridden countries.

Some of the mothers looked on while others sold cakes, candies, hot dogs and coffee instead of wedding rings and other valuable metals and gems to promote the hated schemes of conquest-minded dictators.

A large crowd of about 400 attended and seemed pleased with the innocent play effort put forth by both children and teachers.

Instead of fostering hatred for a neighboring country, our American teachers foster play and good sportsmanship among the youths of Young America.

## Reception—

Continued from page 1  
 cort, C. B. Doolan, both members of the senior class.

As each member of the party entered he ascended the throne and the completed group formed a V on the platform.

Each beauty and most popular girl from the high schools was presented to the audience and the judges by J. Wilbur Smith, Student Association president.

Following the announcement of the high school queen of the reception, she and Smith led the grand march which ended the maifest and began the all-student dance which closed the impressive ceremonies. Fahy Godfrey and his orchestra furnished the music.

William Buschardt announced the pageant. Welcome address was by Dr. E. E. Oberholtzer who was introduced by W. W. Kemmerer, L. Standlee Mitchell, general chairman, made announcements concerning the pageant.

Included in the Houston high school "royalty" were:

Stephen F Austin—Farrar Storm, Charles Moody, escort; Freddie Shepler, W. C. Adams, escort.

Jefferson Davis—Evelyn Sherfy, Bill Holton, escort; Margaret Burks, Robert Hearn, escort.

Mirabeau B. Lamar high school—Betty Finnegan, Dick Putman, escort; Anna Munger, Joe Gilmore, escort.

Charles H. Milby—Kathrine Lee, James McGrew, escort; Melrose Trauernicht, Billy Kieke, escort.

John H. Reagan—Betty Jo Malon-

ey, Charles Durham, escort; Maurine Cross, Jack Hinds, escort.

Sam Houston—Mary Ann Couras, Wayne Andrews, escort; Eloise Canterbury, Mickey Fitzgerald, escort.

San Jacinto—Novena Kroschel, A. C. SoRelle, escort; Dorothy Jean Kent, John Dorsey, escort.

Senior class princesses and escorts were Gaynelle Furley, Bill Becker; Tallulah Hinds, Marvin Ammons; Elizabeth Miller, Robert Fields; Lolita Woods, P. L. Cooper.

Marguerite Sceles represented the junior class as duchess, was escorted by Clem Baldwin, duke. Junior maids were Jerry Bentley, Grace Dustin, Vera Mae Loughridge, and Dorothy Spates.

The sophomore class was represented by Dorothy Hohl, duchess, and Tom Yerxa, duke. Dorothy Bradshaw and Christine Martin were maids.

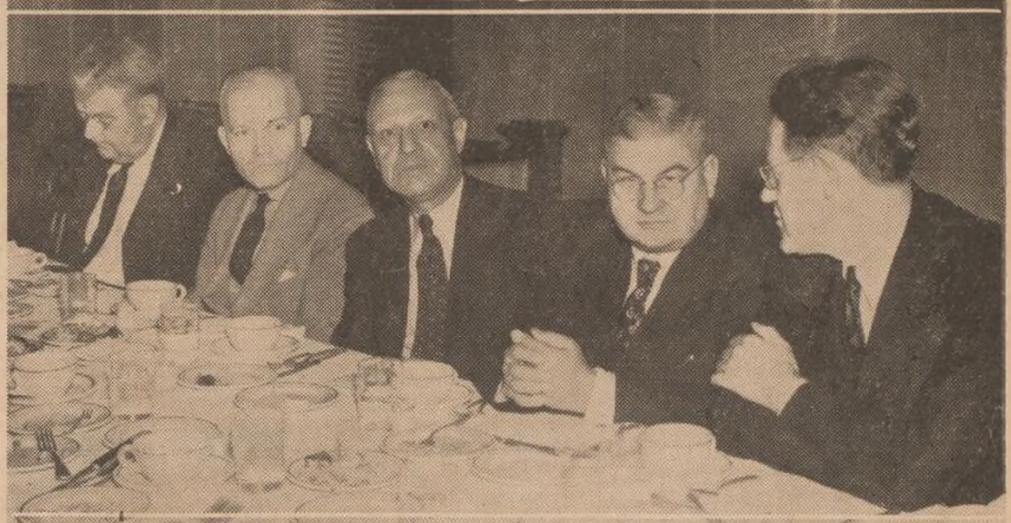

Representing the freshman class as duchess and duke were Frances Stephens and Henry Taub. Mickey Marsh and Eleanor Miller were freshman maids.

## Sophomores to Hold "Victory Picnic"

The Sophomore class will hold a "Victory Picnic" at the bayshore home of Ted O'Leary, Saturday, May 14, according to Joe Camp, president.

Definite plans for the event have not been completed but will be announced, Camp said. Tentative arrangements are for the picnic to be a celebration of the Sophomore participation in the student building fund drive. Outside dates will be permitted, it has been announced.

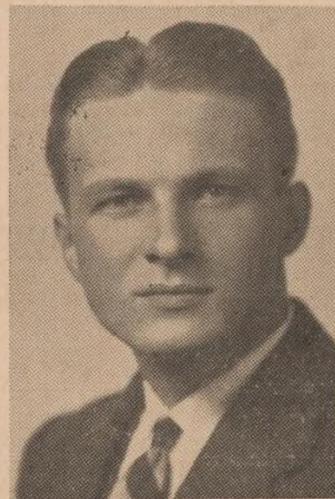

## FUND DRIVE LEADERS RALLY

In the top photo is shown Dr. E. E. Oberholtzer, University president, addressing workers of the downtown division of the \$1,000,000 building fund campaign which will open Monday. Seated on the left is C. A. Pickett, downtown chairman, and Lewis W. Cutrer, legal adviser, is shown on the right. Scene was a dinner given Monday night by George Kelley, local restaurant owner.

Below is a group of campaign workers. Left to right, A. L. Edmonson, Albert E. Chamberlain and Dr. J. Howard Hutchinson of New York, who will aid in the drive, J. W. Sartwelle, and J. K. Fleming.

## SOPHOMORE DUKE Student Drive—

Presented above is Tom Yerxa who escorted Sophomore Duchess Dorothy Hohl in the high school reception last night at the city auditorium.

## BUSINESS ADMINISTRATION

Officers for the coming year will be elected and a constitution will be adopted by the Business Administration club at a meeting next week, John Cutler, president, announced. Time of the meeting will be announced, Cutler said.

The B. A. club is composed of business administration majors and is the largest club on the campus without dues, Cutler said.

A social calendar for the remainder of the year will be discussed.

Continued from page 1  
 reached its quota. Sophomore class goal is \$3,300.

Two Junior class teams reported in excess of their goals. These teams are under captains Guy Hamilton and Grace Dustin. At present the Junior group is approximately \$320 short of a \$2,700 goal.

High percentage according to members was shown by the Senior class which reported in excess of \$2,000, with a goal of \$2,700.

Climax of the undergraduate drive for funds was seen Friday night when some 500 students participated in a downtown parade to the site of the new University where an impressive demonstration was held.

Assembling at 8:30 p. m., University students went in a group down Main street to Preston avenue, and then out Leeland to St. Bernard street to the University campus. University colors of red and white were used to decorate many cars in the parade which featured the first band of the Houston public schools, directed by Victor Alessandro. Leading units were cars in which University officials rode.

On the campus a torchlight parade by students which ended in the lighting of a huge bonfire opened the ceremonies. Cheer leaders, Joe Camp, Della Belle Collier, Walton Fleming, Dorothy Hohl, and June Carter, directed yells and singing.

You can lead a fraternity man to water, but why disappoint him?  
 —Technique.

## Poet's Corner

By George Chiasson

**THE SAGA OF GULLIBLE GUS**  
 Poor Gus had good reason to cuss,  
 He believed she would ride on a bus,  
 But she gave him the gate  
 For a lad with an eight  
 Made by Chrysler — poor gullible  
 Gus!

Our hero once had a good friend  
 Who needed some money to spend,  
 So he borrowed a buck,  
 Said "Goodbye and good luck."  
 Thus friendship got Gus—in the end.

Then Gussie became good and sore  
 Like Poe's Raven, he said "never-  
 more."

I'll get tough with my gal,  
 Take a punch at my pal—  
 I'll show them that I know the score.

But, alas, poor old Gus was too late,  
 With his ex-friend the girl had a  
 date

And again—nose to thumb  
 They gave our hero dumb  
 The well-known and oft'-received  
 gate.

Now Gus, though his face doesn't  
 show it,  
 Got the best of the deal, and I know  
 it.

He got rid of a gal,  
 For a buck lost a pal,  
 And that's cheap—take the word of  
 your poet.

# CAMPUS CHATTER

Prize boner of the week goes to Annette Piehl and Helen Hanser who went abroad a train last Sunday to visit a coupla friends who were leaving (masculine), and were so busy conversing that they didn't even notice the train was moving until it was half way out of the yards. The two badly frightened co-eds sent out an SOS to a kindly conductor who stopped the contraption.

Quoting Pat Foley, "You girls get in this drive and go down to these offices. You might get you a husband down there. Those men are working." By the way, Mr. Foley, the way you were driving Friday night last, you must have been trying to drum up business.

Joe Potter, the "trucking kid," really met his master at the Pig Stand the nite of the bonfire. One small dark shine boy was victor in the pedular duel. He still has his head hung in shame.

Little Suzie Larimer just can't leave her big he man's (FWM) side, so she rides with him leading the parade . . . Perhaps you didn't know but the University has five heroes. DeYoung and foah others, at a tip from the dean, saved ouh bonfire from destruction by a bunch of filthy Rice Owlers. . . . Comment of Dick Bruns on route to b.f. "I've been wanting to blow my horn like this for a long time, but I was too scared . . . Dean Naason K. shows quite an adeptness at saddelry. Looks like theres gonna be some rivalry between these two East Texas (drug store) Cowboys in the U. The other is named Harris.

Who converted Stockwell? Was it Campbell, Taub or somebody else?

Editorial Lament: After calling the Sophomore royalty Juniors last week, we're an editor without a class, and plead to the Freshmen to enlist us. Anyway, we wish to make three state ments in our defense: 1. The Sophomore should be flattered to be called Juniors; that's an extra year of tuition you won't have to pay; 2. The girls are beautiful enough to be welcomed by any class; and, 3. You have to give us something for being consistently wrong — someone else might have just got the caption incorrect, but we got 'em all wrong.

That line last week about June Carter being distant was alright, but it's being talked around that Dorothy Tucker takes a pillow on her dates so she can sit on the fender when the snuggle problem arises . . . She'll get over that, Boyd Shinn hopes.

Still thinking about the rally: The Frosh-Soph friendly rivalry was good in raising the building quota, but it seemed a little too friendly when the second-year bunch disintegrated the Frosh banner . . . Friends, don't you know that flags are sacred?

Elizabeth Carlon hasn't ever seen her name in Chatter, so here 'tis . . . and because she is a cute little Freshman, we'll say it twice, Elizabeth Carlon.

Thanks to Miss Ruth Pennybacker, we may add you to the Cougar staff yet, but you'll have to start as a cub reporter and work up.

Last rally thought: Looks as if Bumpy Reed's horse stole the show, with Jumbo the Elephant as runner-up.

Prof Smith is about to embark on another geology field trip. When he was asked by students whether "guests" would be permitted to attend, he parried, year, but just let me know and you won't have to go on the trip. Nanaline Williamson and George Chiasson are piff (apologies to W. W.) . . . He's up and around with a former ex.

## AS UNIVERSITY STUDENTS RALLY

Above are scenes from the all-student rally held Friday on the new University campus site. Left top is Dean N. K. Dupre addressing the group; left top are student yell leaders, with June Carter and Della Belle Collier shown in the foreground. Center left are shown Dr. E. E. Oberholtzer, H. L. Mills, business manager of the Houston public schools, and Dr. W. W. Kemmerer. Center is the bonfire lighted from torches carried by students in the torchlight parade. Right center is Jumbo, mechanical elephant featured in the parade to the campus, flanked from left to right by Dr. C. F. Hiller, registrar; Jumbo's manager; Frosh president, Henry Taub; and Albert Rutledge. Below is view of the torchlight parade.—Photos are by Louis Shepard and Joe Drane.

### Kemmerer Addresses Salesmanship Club

Salesmanship club members were to hear a talk today by Dr. W. W. Kemmerer, University vice president and director of research of the Houston public school system.

A musical program was to follow the Kemmerer address.

### BETTER SPEECH CLUB

The 7:30 p. m. public speaking class will be the jury of a mock trial given tonight by the Better Speech club. James Manley will be the state's attorney, Homer Biddle, the attorney for defense, and D. D. Hunt, the judge.

The trial will be based on the first event that occurs in the class when the period bell rings. A. D. Jaquet, president, has charge of the program.

### FENCING CLUB

University students are invited to attend an exhibition fencing match between the Fencing club instructor, Mr. Rodner, and Frank Wells, Rice Institute champion fencer, at 9:30 p. m. Monday in the gym, Wilson Morris, president, said.

At the regular meeting of the club at 11:30 a. m. Tuesday in the old auditorium plans for a club social will be made, Morris said. The instruction period is also scheduled for the Tuesday meeting.

Editorial headline from a college paper: "Are We All Turtles?"

### P. V. Pennybacker Talks To Engineers On Bridge Building

Speaking to a large group of University engineering students P. V. Pennybacker, noted construction engineer, was guest of the University of Houston Society of Engineers, Wednesday night.

Mr. Pennybacker, who, according to members of the club, is the most interesting speaker presented this year, lectured on phases of bridge construction, stressing new developments in foundation laying. His lecture was illustrated with lantern slides demonstrating each phase discussed.

Merits of metal, wood, and concrete in foundation work featured the address, and different types of construction used in different localities was also one of the highlights of the discussion.

Continuing his lecture on foundation laying, Mr. Pennybacker spoke on the use of caissons in digging bridge foundations.

Following the lecture, an open forum was conducted.

Mr. Pennybacker, who was introduced by Foster W. Montgomery, UHSE president, is at present construction engineer on the Neches river bridge project. Included in the lantern slide display were views of the project.

The speaker has also served as construction engineer on numerous

### Former Student On KTRH Staff

Another former University of Houston student appeared in the news this week when B. F. Orr, Jr., was named newest member of the KTRH announcing staff.

Orr, who is 22 years old, succeeds Harfield Weedon, and is featured on the "Little Movies of the Air" program at 4:30 p. m. daily.

Besides attending the University Orr has also studied at the University of Texas.

### Notice

Deadline for Senior invitations has been announced by Ruth O'Leary, vice president. All Seniors are urged to place orders immediately.

Called meeting of the Cougar Collegians, 3:10 p. m. Friday, Room 120.

Love—a quest.  
Marriage—a conquest.  
Divorce—an inquest.

—The Pilot.

other large bridges including the Mississippi river bridges at Vicksburg Miss., and Cape Girardeau, Mo., and the Atchafalaya river bridge at Morgan City, La.

Mr. Pennybacker is a resident of Texas and is a brother of Miss Ruth Pennybacker, University faculty member, who co-operated with the engineering society in bringing the lecture to Houston.

## B.S.U. To Install Officers For 1938 At Banquet May 7

Officers of the University Baptist Student's Union for 1938 will be installed at a banquet of the B. S. U. council, May 7 at Carolina Pines.

All Baptist students and those interested in attending the banquet are urged to attend and may secure tickets from any council member, Grace Dustin, retiring social chairman announced. The banquet will feature a ship supper motif.

The banquet will climax the second and most successful year of Baptist student campus activity, according to members.

During the past eight months the B. S. U. has held 248 meetings on the campus attended by 4,216 students of all faiths. Well-known local speakers and many from distant points have been presented. The University B. S. U. has presented 25 special services in local churches during the year and sponsors services each month at Star of Hope Mission and the county tuberculosis hospital.

At Christmas the B. S. U. distributed 1,250 toys and six baskets of food to underprivileged children of the city. Several times this year the University B. S. U. members have been guests of local churches; and from 100 to 150 attended as a group.

Bill Crump who served as president this year has been re-elected to that position. Other students who will be installed Saturday are:

Mary Fink, Waller Bartels, Charles McLeroy, Arthur Parker, Jean Ray, Milton Bailey, Stewart Morris, John Stewart, Louise Stanlew, Leland Fink, Joselyn Kemp, Frank Warren, Zeb Kirkpatrick, Jimmie Kirkpatrick, Lyman Owen, Lynn Yeargan. H. J. Holt is faculty adviser and Miss Reba Martin is student secretary.

## CLUBS

### AESCULAPIAN CLUB

E. A. Snapp will entertain Aesculapian club members with an informal coffee at his home at 8 p. m. Tuesday. An open forum will follow the coffee to discuss the club project and socials for the remainder of the term.

Nature of the project has been kept in secrecy by the club but will concern the new University building.

Plans will be made for the Aesculapian banquet honoring club members that are graduating this term and also for a weiner roast and luncheon.

At a recent formal initiation ceremony 15 new members and 12 charter members of the club were initiated.

### HOUSTONIAN CLUB

The final events on the social calendar of the Houstonian club will be a coffee on May 1, and a sport dance May 13.

Mrs. N. R. Lewis will entertain club members and pledges Sunday at 9 a. m.

The final Houstonian sport dance of the year will be given in the gym. Tickets will be on sale the first week in May, and may be secured from any member of the club. They will be 25 cents couple or stag.

Hear Virginia Deane on "HOW TO GIVE A PARTY" Each Tuesday at 11:30 a. m. KTRH Miss Deane, will gladly assist you with your own party problems. Address her at KTRH, or care of Sweeney's. J. J. Sweeney Jewelry Co. 700 Main Corner Capitol

## SPORT BRIEFS

By Ralph Disque

**Johnnie Rizzo**, former Buff outfielder, is making the grade as a major league player in fine fashion. The ex-Houstonian, who learned to play ball on Houston sand lots, has been a factor in all of Pittsburgh's wins so far this year. Although the season is young yet, the Pirates and Rizzo promise to make it plenty hot for the other clubs in the National.

Several other players who used to be with Houston and are now making good in their big league debuts.

**Emmett Muller** who played second base on the '37 Buffs is now a regular with the Phillies. **Herschel Martin** outfielder, has earned a job on the same team.

**Bill McGee** is doing some good pitching with St. Louis and **Gene Moore** is doing well with Boston's Bees in the outfield.

Rice tracksters continue to gain national prominence with their record breaking feats. The Owls set up a few more new marks at the Kansas Relays last week.

Tomorrow the Rice runners will see what can be done about some new records for the famous Drake Relay Carnival.

The annual Penn Relays and Drake Carnival fall on the same day each year and it is interesting to compare the marks of the two events. Outstanding schools from the South and West flock to the Drake games, while the Penn meet draws the leading athletes from the East and North.

**Jimmy Brock**, daring midget auto driver, showed splendid courage at the last race meet. During the semi-feature event, Brock tangled with **Wes Segesser** and suffered a bad spill. It appeared as though he was seriously hurt because the car remained on top of him several minutes, but after a trip to the hospital Brock returned to the track and drove a swell race in the main event.

Meanwhile, **Brother Paul** is running into tough luck in his comeback try with the Buffs. He lost a close 2-1 game to Shreveport recently, but only gave up six hits. If the Houston club starts hitting the ball behind him he may succeed in his at-

## Co-Eds Honored At C. of C. Banquet

Seventy two University of Houston co-eds who aided in the ticket sale for the Houston Fat Stock Show were guests Wednesday at a luncheon given at the Rice Hotel by the Houston Junior Chamber of Commerce.

Mrs. **Pearl C. Bender**, dean of women, **Dr. W. W. Kemmerer**, vice president, and **Dr. C. F. Hiller**, University faculty member were also honor guests.

A feature of the entertainment provided by **Buster Dees**, program chairman, was the awarding of prizes to the guests whose names were drawn from the register list.

Winners included:

**Oma Brinkley**, **Bibs Alexander**, **Dorothy Hohl**, **Nanaline Williamson**, **Mary Lewis**, **Marian Pellerin**, **Kittie Lou Dawson**, **Frances Crabtree**, **Rose Shelly**, **Mickey Sloan**, **Louise Webb**, **Marguerite Scelles**, **Dr. Kemmerer**, **Roselle Kaplan**, **Betty Jean Smith**, **Nina Lois Bunting**, **Lolita Wood** and **Anna B. McJunkin**.

"Skip"—

Continued from page 1  
to be going to the university for an education, maybe we should have a building for classrooms, and hire a professor or two. Only, of course, if it will not crowd us too much.

tempt to get back in major league ball.

The swimming supervisors report good crowds are using the pool each night. In fact, several outsiders have attempted to use the free swimming place.

With all this talk about funds for new university buildings, we can't help wondering how much of it will be put aside for an athletic plant.

The present plans for the new school do not call for big time athletics. Intramurals and inter-class games will feature the physical education program.

It would be a hard feat for a big school this day and time to remain out of competitive sports competition within the college.

## Tennis Semi-Finals Set at Golfcrest

Semi-finals in the University tennis tournament will be held at the Golfcrest Country club under the direction of **Gerald Schlieff**. All matches will be played at the convenience of the participants, **Schlieff** said.

In the first round, **Joe Camp** won by default from **Dick McCafferty**. **Jack Oden** defeated **Arthur Dimney**, 6-4, 6-4, to play in the quarter finals.

**Henry Walsh** won from **Jack McShan**, 6-4, 6-2. Winner of the match between **Earl Crawford** and **N. Dis-** mukes will play **Frank Walker**, who beat **Bill Crump**, 6-1, 6-2. **Gerald**

## Student Association Election Planned For Today

Tentative plans for a Student Association election, postponed from Wednesday, to be held today have been announced by **J. Wilbur Smith**, president.

Candidates who have announced for the race and offices include:

**Roy Much**, president; **M. V. Kelly**, vice president; and **Grace Dustin**, secretary-treasurer.

Definite schedule for the balloting is to be announced, **Smith** said.

**Schlieff** will play **Sam Pearce** in the semi-final round.

Arrangements are being made to present a trophy to the winner of the tournament, **Schlieff** said.

## Downtown Drive—

Continued from page 1  
junior college in 1927 through its organization as a university four years ago.

Questions and answers about the campaign were presented in a skit by **Dr. W. W. Kemmerer**, vice president of the university, and **Melvin E. Campbell**.

"We, here in Houston, are building a city and the need for such an institution is great if we are to build rightly. We have a University, let us build it greater and stronger," **Judge Boyd** said.

**Chairman Pickett** urged the workers to be prepared to take to the field Monday for the division's \$100,000 quota.

Then there was the girl who thought a mandolin was a pawn broker.
