Huntsville Equal Suffrage Assn.,
Huntsville, Texas.

My Dear Miss Bush:

This acknowledges receipt of your letter of July 3rd and check for \$11.75, state dues. Thanks, very much, for both. Indeed I do think that is a most gratifying showing. You cannot imagine how happy I am to have Huntsville "lined up," nor how grateful I am to you and "Madam Chairman" for getting this work started.

The big camps are to be located in Houston, San Antonio, Waco, Fort Worth, and El Paso; and then of course we already have the border encampments beginning at Brownsville and extending at intervals practically clear across the state.

Toward the latter part of next week, I hope to get out two outlines of work, - one for towns having camps, and one for the ~~camps~~ not having camps. Sorry that is not ready right this minute, but lack of funds for printing and material hamper us ~~dismay~~acefully!

In the meantime, may I suggest that a membership canvass to get in all of the sympathizers (men particularly) would be a good thing. And planning for the meeting we spoke of when I was there, - as to this meeting, I find I can place Mrs. Speer (who is an older woman than Miss Engle) in Huntsville on the seventeenth or eighteenth, if you wanted her, while it may be the first of August before I can get Miss Engle in this part of the state. Enclosed herewith please find a few clippings about Mrs. Speer. Please take the matter up and let me know what is decided. I believe if you take Mrs. Speer you will like her, and it will be easier to get up the meeting while people are interested. As I stated when in Huntsville, there will be no expense attached to Mrs. Speer's coming.

Miss Imogene Bush - 2

Enclosed you will find a copy of letter written by Mr. Peacock to the Mayor of San Antonio. It contains some interesting items of information.

With best wishes for the growth of the Huntsville league, and again thanking you, I am,

Very cordially yours,

Encs

President.
