

March 23, 1926.

Mr. Don Hall, Contractor,
Cotton Exchange Building,
Houston, Texas.

RE: NEGRO HOSPITAL.

Dear Sir:

This is to advise that the hardware called for under finished hardware item for the above building has been selected for delivery through Eering Cortes Hardware Company. Please place your formal order with them in the amount of \$746.00 for your material.

Please note the items of hardware to be furnished by the General Contractor, outside of finished hardware, are included in the allowance and have same ordered far enough ahead to secure delivery.

We are in receipt of color samples for composition floor from Thomas Moulding. No green sample was submitted. Please have them furnish us with this sample.

Yours very truly,
