HOUSTON, TEXAS

MEMORANDUM

Houston, Texas,
December 8, 1928.

HOUSTON NEGRO HOSPITAL
Trees and Shrubbery

Mr. J. E. Wooding,
Building.

Further referring to mine of December
7th and my talk with you later:

On further consideration in looking
over the ground, I am of the opinion that it would
be better to place the palm in the circle directly
in front of the building instead of in the third
circle to the south. Doing so would, of course,
call for enlarging the circle at that point and
possibly widening the entrance walk to the building.
