Dear Mr Leiber,

When we arranged the US dollar cheque in reimbursement of your air fare in Brighton I seem to remember that it was for \$900 and you were good enough not to point out that the actual fare was £1113. I have had this on my mind ever since and I have pleasure, therefore, in enclosing a further cheque for the difference of £213.

Thank you very much for coming to see us. I hope you enjoyed the Convention and your trip to the UK.

Very best wishes,

John Steward
