# A rousing time was had by all at SCORA's Christmas Party for the kids

## It's showtime!

The well-ballooned crowd settles down for a Christmas puppet show.

Let's hear it for the puppeteers. They are (from left) Ed Overmyer of Graphics; Pam Olivo, Maintenance South; and Joe Vaughn, a volunteer from the Salvation Army.

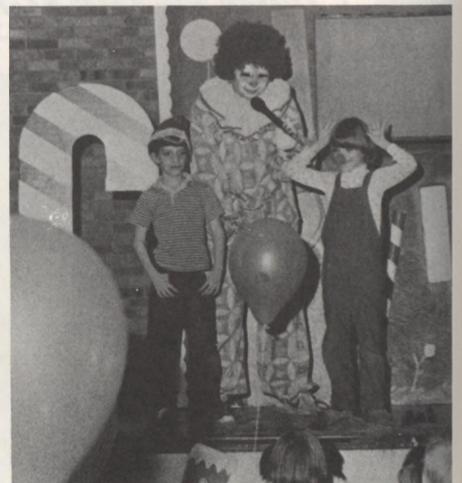

On piano for the puppet show: Dee Lowery of Mechanical Equipment.

## It's magic

Awaiting the magic show are Jonathan Copeland (l), his brother Michael, and their mom Debbie Copeland of Financial.

The magician calls upon the assistance of twins Lori and Michael Paar. Their father is Jim Paar, Maintenance North.

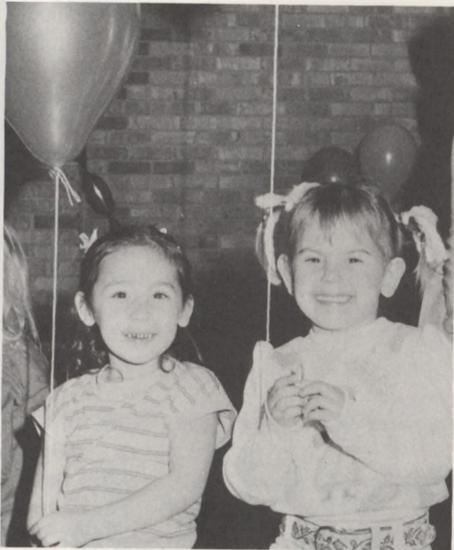

## Awaiting Santa

B.J. and Woody serve up the refreshments. B.J. Schaeffer (l) works in the Paint Shop North, and Woody Plaehn is an electrician on the North side.

Gerry Olivo, Financial, keeps the balloons coming. One of his best customers is Tomasina Alford, shown with her mother Twilla Alford of Project Engineering.

Having a great time are Christi Ryan (r) and her guest Tina Chapa. Christi's mother is Kathy Ryan of Administrative Services.

## Santa takes over

Photos by Doyle Hale

Holiday greetings from SCORA's Santa (Johnny Brecheen of Maintenance South).

Bradley Vajdak, son of Financial's Beverly Vajdak, reveals a few of his Christmas wishes.

Christina Hale, daughter of the photographer Doyle Hale of Automotive North, is not the least bit bashful about reciting her Christmas list for Santa.

## ONE MILLION SAFE HOURS!

The employees of the Deer Park Manufacturing Complex on December 6, 1982 passed a significant safety milestone: One million hours of work without a lost-time injury.

In recognition of this accomplishment, R.G. Dillard, General Manager of Oil Logistics and Manufacturing, sent the following wire:

"Congratulations to all Deer Park Manufacturing Complex employees for completing one million safe hours worked without a disabling injury. I am especially pleased to recognize this accomplishment as a part of your improved overall 1982 safety performance.

All safety achievements are accomplished as a team effort — for the thoughtless act of one employee can negate the careful work of many. You have demonstrated successful team spirit. I hope this current success encourages each DPMC employee to take pride and continue working toward even greater achievements. Keep up the good work."

In recognition of this achievement, each employee will receive one "Pecten" Certificate, which may be used now or be saved and combined with prior and/or future Certificates. Selection of gifts is made from the Safety Recognition Program Catalog previously distributed. If you do not have a catalog, contact your supervisor. He has been furnished extra copies for this purpose.

Adding his congratulations, Rick Erickson, Superintendent of Health and Safety, said, "We are proud of you all. Keep up the excellent safety performance!"

## Shellegram

Deer Park Manufacturing Complex

Published weekly by Shell's Deer Park Manufacturing Complex for its employees and pensioners. All inquiries should be addressed to **Shellegram**, Shell Oil Company, P.O. Box 100, Deer Park, Texas 77536.
