

J. S. CULLINAN
HOUSTON, TEXAS

January 31, 1929.

(Bld) HOUSTON NEGRO HOSPITAL

Dr. R. R. Moton, Principal,
Tuskegee Normal and Industrial Institute,
Tuskegee Institute, Alabama.

Dear Sir:

On the eve of leaving the City,
Mr. Cullinan asked me to make acknowledgment
of your letter of January 28th and to say
that he regretted the mis-statement which had
been made.

I quote below ^{from} a letter which he
received from Judge Moore today:

"I find Mr. R. R. Moton's letter to
me of May 31, 1926, in my files, which I
now recall, and regret that furnishing
you copy was overlooked.

However, nothing came of Mr. Moton's
suggestion that a representative of the
National Association of Negro Hospitals
visit Houston and go over the matter with
us."

Mr. Cullinan had not previously seen
the letter referred to.

Yours very truly,

(Sgd) W. T. SINCLAIR

Secretary.
