RE: HOUSTON NEGRO HOSPITAL

Equipment

Dear Mr. Cullinan:

Transmitted herewith is a list of furniture
taken from the old Municipal Hospital at Camp Logan,
and proposed for use in the new Negro Hospital.

Mr. Allison informs me that this is now
being re-painted and re-conditioned for use. This
does not include the steam sterilizer which is also
being ~~x~~prepared and made ready for use in the Insti-
tution.

Yours very truly,

Maurice J. Sullivan
