

Friday

Dear Folks!

The die is cast -  
the Rubicon crossed - the program  
at the tender mercies of Mr.  
Baldwin and the associated  
Press! I hold my breath  
until Sunday, not know-  
ing what terrible bombs,  
busts etc. to expect.

Getting three full days in 2½  
days was some gymnastics

and the chief performer may  
be in Mexico when you  
arrive. Honest, and earnest,  
I feel like I want to lie down  
and sleep a month, but  
must get some letters off.

"Sister Edith" please inform  
officers and I take it for  
granted you have written  
delegates as I have no  
way of knowing who they  
are. The Whiskill's rates are  
Fierce \$3<sup>00</sup> a day two in room,  
separate beds, bath 60¢ extra  
Miss <sup>Henrietta</sup> Schutze, Millet mansion  
\$1<sup>50</sup> a day two in room & bed,  
with bath thrown in.

Do you realize I don't know  
what to do to get this infor-  
mation abroad?

In justice to myself, I must  
tell you that <sup>in France</sup> news of Eugene  
Perris' death & his mother's  
consequent threatened attack of  
congestion of the brain upset  
me so that I know I've forgotten  
something important. Mrs.  
Baeth has been out of town  
Mrs. Coby had sickness in her

family etc. so when I called today  
at last minute for local fast  
had to do it myself in some  
haste you may imagine. Conse-  
quently a regular dollar luncheon  
at Wiskill Wednesday had to go  
on program. Guests in hotel  
will not pay any extra a Mr.  
Stark almost promised to deduct  
for meals taken elsewhere tho  
American plan. all meetings  
in Senate Chamber. Gov. on pro-  
gram. wired Mrs. Ward - no answer.  
Phoned Judge Ward - said she had  
mentioned not coming, had  
not spoken of ~~my~~ receiving my  
night letter and was out town

going to Macedonia. Told him  
to make Western Union come  
across with telegram. informed  
him that Jane McCallum alone  
was to blame for lateness of  
program etc. and that I'd  
keep her name on. Believe  
this best - hope not a bust.  
Miss Stafford coming in Mrs.  
Hanna's place.

Sat A.M.

Young S.C. Ozier's cousin had  
never seen came in yesterday aft.  
while I was at printers. Absolutely  
no originality in programs - ✓

mean color, size etc. didn't  
realize that had to be worked  
out - train coming etc so  
just varied last years  
slightly. cost \$7.50 for  
750 - guessed at number -  
if need more please wire.  
Promised to be out this  
afternoon late.

Mrs. Cutchett's photo just  
arrived - a day too late as  
cuts of others already made.  
American subscribers  
dropped from over  
1500 to about 600  
they claim, + large dailys  
stopped exchanging ~~so~~  
also. Pro-Ferguson -  
writes up glowing accounts  
of his speeches etc. Hobbs  
hate it etc; so put  
photos in Stateman.  
See! but I wish I knew more  
about some of them, as the  
Editor asks (this morning) that I  
write sketches of them. Cousin  
leaves - forever possibly. - at 12.40

part of last Sunday's Corner in  
on Monday, mixed references  
up etc. Have made paper  
smaller. From Mr. Sever's  
Conversation women's war  
work, converted him. Small  
the work here, people know  
suffragists are leading, but  
we just let it "soak in"  
without "rubbing". Bro. Sayers  
in Pro. talk at rally spoke  
of his conversion to our cause  
hee - that reminds me  
I must phone him

Heaps of love -  
I do miss you and Mrs.  
Speer - its awful  
over Love M.

So if I put "Mrs. Cunningham  
Houston Lawyer - Originator of  
Mothers Pension etc" Mrs.  
Yeague Field Sec. Mrs.  
Moore 1st Auditor don't  
be surprised! You blessed  
this - I've taxed you  
enough so

Adios with heaps  
of love - Phone me soon as  
arrive

Call me Lady Jane as some of my  
most intimates do instead of the  
Mae
