## Blood drive contributors total 452

The Complex blood drive ended last week, with 452 people—229 North personnel and 223 from South—making donations. The total was just three shy of last spring's total of 455.

Becky Maxwell, blood drive chairperson, said, "Actually, this year's response was much higher than previous years. Unfortunately, many people could not be allowed to donate because they had colds or the flu or they were taking medication for these illnesses. We are very grateful to those who actually did donate. But we are equally grateful to the persons who were prevented by circumstances from donating after they made a

willing effort to do so. We hope we have as good a response during our second blood drive which will be held later this year."

The dates for the second drive, will be announced in a future issue of the *Shellegram*.

## Bass Tournament winners named

Herman Akers, crane operator, and Mike Copeland, rigger, both Maintenance South, came back from Lake Livingston with something to smile about two weekends ago. They landed a 12-pound, 5½-ounce bass and a first place spot as the winning team at SCORA's bass tournament.

Other winners were:

—Second place, Angelo Melendez and Steve Nelson, both operators, Catalytic Cracking, (an 8-pound, 1-ounce bass).

—Third place, Andy Cavender and Walter Brumley, both riggers, Maintenance North, (7 pounds, 15½ ounces).

—Fourth place, Bubba Jackson, rigger, Maintenance North, and his wife, Karen, (4 pounds, 7½ ounces).

—Fifth place, Bobby Laird and David Sprayberry, both pipefitters, Maintenance South, (2 pounds, 5½ ounces).

—Sixth place, Mike Smith and Ronnie Foster, both operators, PXU (Paraxylene Unit), (2 pounds, 2 ounces).

—Seventh place, Jug Bennett and Joe Palermo, both welders, Maintenance North (1 pound, 15½ ounces).

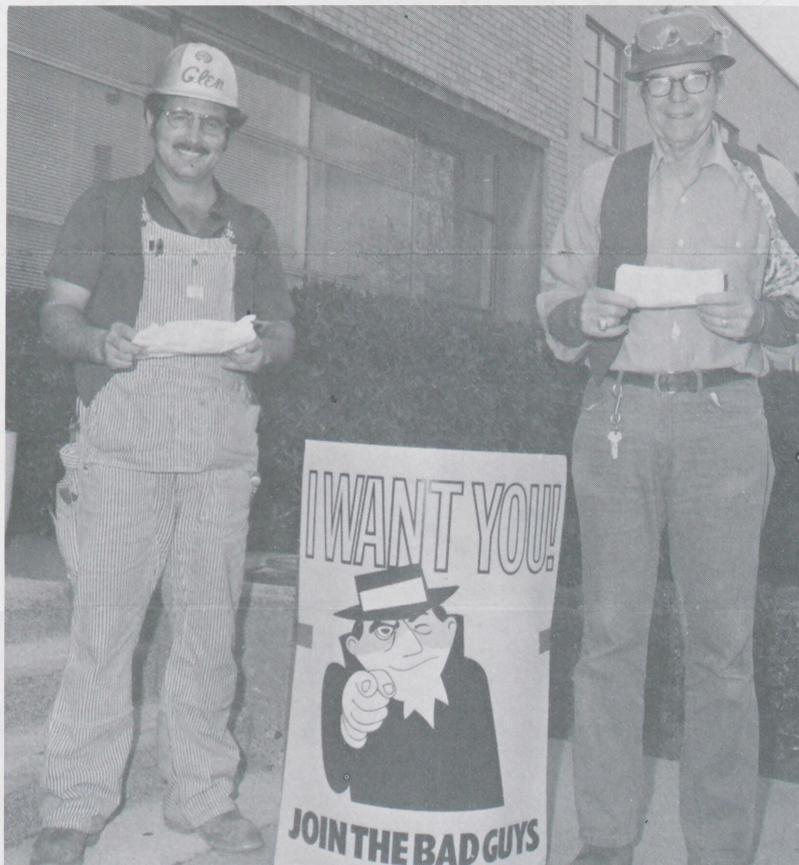

—Eighth place, Steve Henninger and Dan Pinger, both pipefitters, Maintenance South, (1 pound, 12 ounces).

## Shooters capture title

For the first time in seven years, a North basketball team, the Shooters, has emerged from playoffs as winner of the SCORA basketball league competition.

The Shooters earned this honor by defeating the South's Traveling All Stars, which finished the regular season in second place 37-34. Out of the nine teams in the league, the Shell Hawks finished in third place and the sixers came in fourth.

Members of the Shooters include M.V. Streeby, coach; Harry Taylor, manager; M.A. Rochon, most valuable player; and Earl Davis, Michael Veazey, Reggie Donahoe, Robert White, Homer Benson, J.S. Steptoe, and Chicken Williams.

## Picking BAD winners

Glen Persons, left and Russell Hand, both carpenters, Maintenance South, picked winners of DPMC South's BAD (save a Buck-A-Day) vests last week. South winners were A.M. Snook, instruments man, Maintenance South, and Bill Haygood, operator, BPA. North also had two vest winners, Roy Schroeder, dispatch analyst, Dispatching Operations, and Ted Ivy, operations foreman, North. Lab. Names of all persons submitting BAD ideas are used in drawings for the vests (which are modeled by Persons and Hand). But larger containers may be needed for drawings because 22 percent of DPMC employees submitted ideas by the end of last week.
