Dear Sir:

I refer to Mr. J. S. Cullinan's letter
to you of May 18, 1931.

Mayor Monteith and the City Council have
agreed to construct the sidewalk in line with Mr.
Cullinan's letter, such to be completed by or before
June 15, 1931.

Mr. Bringhurst and Mr. Wooding are co-
operating with the City Engineers in seeing that this
work is properly carried out.

Very truly yours,
