The La Caja Club, Houston was bombed this past Friday night after closing. The club was robbed and a bartender shot only a few weeks ago and it has been the victim of numerous robberies over the past year.

FROM THE EDITOR

Once again another holiday is upon us. Activities seem to abound everywhere. Be sure to check for New Year's Eve activities in our special column. We'd like to welcome the Old Plantation to Houston now that they are officially open. The crowds have really been "wowed" with what has been done to the building. It's really something to see. "Something for Everyone" will be resuming again at Dirty Sally's after the holidays. Every Wednesday, Friday and Saturday, the very talented Rhona Lacy entertains at the piano in Sally's back bar. Be sure to drop in and catch this really talented lady. Shows are going quite well at the Dolphin Room in Galveston's Seawall Hotel. If you're looking for that fun place to get away from it all for a few days, the Seawall Hotel should be what the doctor ordered. Just a note that the Sunday night buffet at the Depo\$itory is still one of the best around. Meal time starts at 8 pm. and the food goes fast!

This being a more festive time of the year, drinking is a little heavier than at other times. This New Year's Eve, if you're planning on driving, please drink conservatively. Just remember, you wouldn't be the only drunk driver on the road, so everyone will need to drive extra cautiously.

Hoping you have a happy and prosperous New Year from all of us at the Nuntius to each of you. Til next week,

Mel

NEW SAN ANTONIO BAR

An old bar in San Antonio has suddenly become a new bar. The Sundown Saloon, 4503 Lakewood, was recently a straight bar; it has since been closed, remodeled and now open for gays. What about the atmosphere- it's an at home, quiet, romantic type bar. It is not disco. Jay, the new owner is usually on hand to greet her customers. When she was asked if the Sundown was a boys or girls bar, she said that the customers decide what clientele frequent the bar. So far it has mainly been some of the hunkiest guys in San Antonio.

Dear Aunt Sofa:

Awhile back you ran some abbreviations that are used in the classifieds. I lost my copy with the definitions. Could you please print it again?

ADVISE:

I have also had some other letters asking about the same abbreviations, so for all you classified freaks, here it is.

b/d - bondage and discipline
s/m - sadism and masochism
ac/dc - can perform sexually with both sexes.

bi - same as ac/dc/
Versatile - in straight ads can mean the same as ac/dc. In gay ads it usually means a person is able to be "fem" or "butch".

French active - performs oral sex to partner.
French passive - receives oral sex from partner.

Greek active - performs anal sex on partner.
Greek passive - you guessed it!

Roman - orgies and group sex activities.

straight - male/female sex only
water sports - enemas
golden showers - urinating on a person.

TV - television or a person who enjoys wearing the clothes of the opposite sex.

toys - sex aids.
voyeur - persons that like to watch sex

SASE - self addressed stamped envelope.

Dear Aunt Sofa:

Recently I have been in sort of a depression. It seems that everything is going wrong. Sometimes I feel that I am friendless in the whole world, even though I know that I am not. Usually I put up a good front so I guess that most people don't realize my state of mind. Somedays I wish I just wouldn't ever wake up. What can I do?

ADVISE:

I would first like to say that we all have days when we wish we wouldn't have to wake up. Don't let that throw you. It could be that your problems are more deep rooted than what you have told me. It is hard to go into personal details sometimes in letters and I fully understand that. Only you would know or perhaps have some idea of what is causing your depression. If you go into a state of depression frequently and stay there for a lengthy period, I suggest that you seek professional help immediately. If that isn't the case and you feel you just need someone to talk with, drop me a note as to how to reach you, and we can talk together if you feel that would help any. I don't usually talk to everyone, but I know there are days when I feel like I don't have anyone to talk with also. If you feel I could help, let me hear from you.

Happy New Year from
AH MEN

Once again, that final holiday of the season is upon us. There seems to be more than enough activity around to entertain everyone.

In San Antonio, the Sundown will have a New Years party with No cover. Of course, an impromptu show will take place. Champagne will also be available to ring in the New Year.

In big D, Shan Covington, Miss Gay America, will be putting together a show for the Bayou Landing. It looks like it should be a big night at that club.

Houston should really be active on New Years Eve. Dirty Sally's presents the incomparable Rhona Lacy and her trio to entertain. Rhona sings and plays piano and is truly a great entertainer. Special entertainment party favors

and a bottle of champagne at midnight will make Ursula's one of The places to be in Houston. The Old Plantation will be selecting Mr. and Miss Old Plantation along with Most Original Costume, Most Comical Costume and Best Couple at their New Years Eve Ball. The Depository will have disco dancing most of the night and will also be selecting Mr. and Miss 1976. A \$200 prize for each is up for grabs. The Farmhouse Club will be holding contests for Miss New Years Eve, Mr. New Years Eve, and Best Costume in its Plantation Room. Disco will be going on as usual in the main room.

All in all, things look quite festive everywhere, and I'm sure you'll find something happening for you in your city.

HOROSCOPE

ARIES: One of the most fortunate trends of the year for career and professional matters reaches its crest. You should find that your personal projects in other fields are equally stimulated.

TAURUS: Keeping your projects conservative and employing only conventional methods to achieve your goals will increase the value of efforts. Exercise caution that you do not become so deeply involved with your own affairs that you forget about obligations to others.

GEMINI: Favorable trends continue to operate in personal and family interests. One of your partners may have a brilliant idea to further your objectives. Adopt an impassive attitude on the job when problems develop between co-workers.

CANCER: Your mind should be especially keen at judging values. You may find this particularly helpful in joint enterprises. Take steps to improve monetary matters in a shared undertaking.

LEO: Sudden developments in a distant area may bring you a new concept in financial affairs. But it may also entail considerable danger to your person; therefore it is wise to observe all safety regulations and to maintain a check on your health.

VIRGO: This is not a good time to travel as conditions become hazardous. Do not look for any relief because three oppositions to Jupiter create dangers in all forms of transportation. Use caution with money and in friendships.

LIBRA: Avoid parties when an adverse trend operates. Keep your motif simple at all times and hold your expenses to reasonable limits. Suspend financial operations, for you could be on the wrong track, one that could lead to setbacks.

SCORPIO: Entertaining important career associates in your home may help you advance your personal goals. Your prospects in future security matters should be better than earlier this year. Adhere wisely to your budget.

SAGITTARIUS: Your partners should be favorably inclined to follow your suggestions when a difference of opinion in business matters may cause a temporary upset. You will have occasion to mend fences.

CAPRICORN: Maintain your composure when partners may prove to be uncompromising. Give attention to your public image; you have a chance to meet important people. Financial matters will feel restrictive.

AQUARIUS: Do your best to cooperate with career partners in joint enterprises. Do not show disappointment if your suggestions are not accepted. Wind up important matters in personal finances.

PISCES: Your interests in special studies and enjoyment of all travel in foreign lands are stimulated. Put your best foot forward at work. Do not hesitate to demonstrate your special skills. Important people have an eye on you.

POT GETTING STRONGER

Researchers at the University of Mississippi have been receiving Marijuana samples from all over the U.S. in an effort to determine if pot is getting stronger. Dr. Coy Waller has launched the study at the request of the U. S. government after finding indication that today's dope is more potent than ever. Dr. Waller told congress recently that, just a few years ago, potent marijuana in the U.S. never contained more than 1.5 to 2% of T.H.C., the active ingredient in pot.

The doctor warned that today, however, some weed being sold on the streets is 6% T.H.C. The Mississippi crash study was launched in an effort to find out where the potent weed is coming from and what can be done to stop it.

MOVIES

As I promised you, I have a major film release, a comic tragedy "One Flew Over the Cuckoo's Nest" starring Jack Nicholson. Picture yourself as a compulsive loser; always landing in jail for every crime you attempted. Now picture yourself in the local work camp and you have 68 days of hard labor left. How do you get out of this situation? Naturally you can start acting a little crazy. So you pretend you're going nuts and they ship you off to the local state mental hospital for observation.

That's just what Jack Nicholson does. Placed in the institution you naturally have to pretend you're nuts. Remember one thing, everyone around you is a first class basket case. Add some very colorful dialogue, snappy one liners and a brilliant actor and you have a movie that ticks.

That is the plot and basic structure of "Cuckoo's Nest"/ I must admit that the film would have been a flop if it wasn't for the brilliant acting of Jack Nicholson. From the first minute he walks on camera, he has complete charge. He is in every scene along with nine other supporting actors. Not for one moment does he take any glory away from the other actors. Believe me, the supporting cast does an equally good job of acting.

I must mention head nurse Ratchet, played by Louise Fletcher. She is the one that Nicholson picks to mentally destroy. It is an all out war between the two until the end of the film.

Some how in "Cuckoo's Nest" you want to really let out a good laugh, but being as these people are in an asylum, you just can't muster up a laugh. A feeling of sorrow also exists for these people. Milas Foreman directed and he did a marvelous job with a very touchy subject. He makes you laugh and cry at the same time and yet you are able to leave the cinema with a warm feeling inside you. The direction the film takes is not a rapid one. Go prepared to sit for a while. Mr. Foreman takes each scene and carefully lays it out for you. Very cut and dried. Nothing hard. Just a simple plot with easy to understand dialogue so you can't leave the theatre feeling cheated.

What more can I say that I haven't already said. All that I can finish with is that "Cuckoo's Nest" is brilliant. Jack Nicholson is a sure Oscar nominee and a strong contender to walk away with it. It has got to be his best acting job in his career. I loved the film so much. I will definitely see it again. I just might have missed something

Til next week.
