

14 Wall Street  
New York

June 6th, 1929.

HOUSTON NEGRO HOSPITAL

J. S. Cullinan, Esq.,  
American Republics Corporation,  
25 West 43rd Street,  
New York City.

My dear J.S.:

\* \* \* \*

I also received the photograph of the Negro baby with the attached letter which I thought a very touching tribute on the part of the mother. There can be no doubt that the unfortunate Colored people in the South will more and more appreciate what you have done there in affording them these modern facilities which they have never known before and which cannot be dispensed with if the best in the Race is to be developed.
