My dear Mesdames Presidents and Press Chairmen:

The opponents of suffrage have published broadcast an open letter to Mr. William Jennings Bryan calling upon him to substantiate his charges that the "forces of evil are battling against suffrage."

If this story is repeated in your section of the country it might be well for you to lift out of the material enclosed whatever parts bear upon the articles appearing in your papers and use as a signed letter or interview over your own name in your local press.

Sincerely yours,

Rose Young
National Press Chairman
