HOUSTON NEGRO HOSPITAL

Mr. J. S. Cullinan,
Petroleum Building,
Houston, Texas.

Dear Mr. Cullinan:

In addition, I have gone with
Dr. Slaughter all through the Houston Negro
Hospital, under the guidance of that fine
Superintendent of Nurses, who is out there,
I have forgotten the name, and I am very
deeply impressed with possibilities for
that Institution in the future.

Sincerely yours,

(Sgd) PETER GRAY SEARS
