National Citizens' Creed Contest

I BELIEVE in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag and to defend it against all enemies."

Suffragists subscribe with heart and soul to this creed. It contains the fundamental principles on which they have always based their demand for the vote as a duty and obligation of American Citizenship.
