OLD PLANTATION BURNS

Saturday night employees of the Old Plantation club, Dallas were just finishing up the days work about 10:30 pm. The new club was a little less than a week away from its grand opening.

Fresh paint and new wall paper were still wet inside the building at 3930 Cedar Springs. Earlier that same day a new 50 ton air conditioner had been placed on the roof and installed. All that really lacked were some bar fixtures for the club.

12:45 am. Sunday, the Dallas fire department received an alarm at 3930 Cedar Springs. Upon arrival, the firemen began battling the blaze which had become a 4 alarm fire by 2 am. By the time the fire was out, the roof of the building was laying on the floor of the structure. Apparently \$75,000 in damage had been done.

The Dallas fire department has said that arson was definitely involved. The fire was started

on the roof and quickly spread throughout the structure, which has led the officials to believe a professional was involved. The Dallas arson squad had definite leads in the case.

The bar scene in Houston has been quite stiff over the past years and has had several similarities with the Dallas fire. However the Oak Lawn area, Dallas where the new Old Plantation was located, has had five arson fires in the past week.

Scott Hews, general manager of the Plantations, said that the Dallas club will open within the next two weeks at a temporary location until a permanent location can be found and built. They have also promised to build the new location into a true super bar and give the Gays in Big D a bar like they have seen before. "They can burn us out, but not keep us down. The Old Plantation will rise," stated Mr. Hews.

DEPOSITORY REMODELING

The Depository club, Houston will shut its doors Monday, January 24th, and will re-open with a newly remodeled facility on Thursday, January 29th. General manager Jay Allen stated that the structure has taken quite a beating since opening last year and that the closure for remodeling will enable the Depository to clean up the club thoroughly, install a new dance floor, a new fascinating light show, and a new men's shop. C. J. Harrington, the former Mr. David will be opening his clothing shop, C. J.'s of Houston in the back area of the building.

The Grand re-opening January 29th should prove to be quite festive. There will be a \$2.00 cover and all bar drinks will be Free the entire night. ~~.....~~ will call drinks it will also be Free.

Dear Mr Plummer,

I was looking forward to Jan 76 when I would put an ad in classified section. However, NOW! that I have to put it in some "other strange" paper called "the Gay Males - Female Swingers" (whatever that is), and can not even put it in your paper. Well! I'll tell you, Mr. Plummer! I'm never sending an ad of mine (free or \$100) to any paper, mag, or anything else that says and I quote here "consent her is given to GM/FS or any other publication as the GM/FS may see fit, or to use for the promotion thereof." End of quote. I would not let your paper or this "GM/FS" or any publication "I may see fit"

ever, ever, ever, ever, print an ad or pic. or both of mine, who the hell knows where. Free or pay my ad or pic. or both goes where I say, in a publication, I know something about, and like or it does not go in at all!

Mr Plummer, I am sorry your paper took this "new" way now because, my friends (gay guys like me), and I do not want to read or deal with a paper that has a policy like you have adopted now!

I hope you will answer my letter. So you can please tell me why you changed so, much for the worse.

An ex reader,
Charles
Dallas

Dear Charles,

I am sorry you feel this way about our classified section. Everything is done anonymously and with the utmost care to see that people who submit a classified are given all the "protection" they desire.

I realize that the heading on the classified form says "GM/FS" Originally the publishers of the Nuntius were going to publish a gay classified magazine called the Gay Male/Female Swinger. The success of the weekly Nuntius has prompted them to come out with a larger monthly edition of the Nuntius that will be sold at news stands across the country. The free weekly publication will still be given out in the Southwest. Because the classified response has been too great to run every ad each wee, they are rotated every week. The monthly publication will contain all of the classifieds received by the Nuntius, thereby giving each classified the maximum in reader exposure and still maintain the protection of their being anonymous. At no time do we allow the names of our classified advertisers to leave our files.

This change in classified policy I hope will help not only the circulation of the Nuntius, but also the classified circulation itself. I personally do not feel any breach of promise has been made to our classified advertisers or readers. Hopefully this change will benefit everyone.

"THE BONDAGE AREA"

Hwy 90 (near Lackland AFB)

HOROSCOPE

ARIES - March 21 - April 20
Driving to and from work could be hazardous if you insist on taking chances. You have a good chance to complete a special project, but be prepared to make changes at the last minute.

TAURUS April 21 - May 21
Adopt measures to resist an extravagant tendency that gathers momentum. Keep down overoptimism in financial affairs. Social activities with friends should be particularly enjoyable.

GEMINI - May 22 - June 21
You may be called on to make an important decision concerning your friends and a financial matter. Since this is apt to involve your family, it would be a good idea to discuss it with them before reaching a definite decision.

CANCER - June 22 - July 23
Try to be more selective when you accept social invitations. There are good opportunities to meet new people who can help you attain your objectives.

LEO - July 21 - August 23
You may find that your partners are indifferent about starting a new project. Wait until you have their cooperation before you spend your time on any partnership enterprise.

VIRGO - Aug 24 - Sept 23
Stay calm when tempers flare in a conflict concerning business policies. You might as well be resigned that your partner has the upper hand in the matter and it is up to you to make the necessary adjustments.

LIBRA - Sept 24 - Oct 23
Social life and group activities attain greater prominence. Entertaining important guests in your home will give you a better chance

to achieve your ambitions and attain a high place in your local area.

SCORPIO - Oct 24 - Nov 22
In spite of your good fortune this month, you should keep personal and domestic expenses within the limits of the budget. Guard against an extravagant desire.

SAGITTARIUS - Nov 23 Dec 21
Mildly fortunate trends favor creative interests. You might hear some good news in connection with previously submitted work.

CAPRICORN - Dec 22 Jan 20
Creative and artistic activities are highly favored. You may discover a fresh incentive and a new inspiration this week, when an earlier piece of work may bring remuneration.

AQUARIUS - Jan 21 - Feb 19
You may have to make an important decision the first part of next week. Your personal desires may be in sharp conflict with established plans for future security.

PISCES - Feb 20 - March 20
Prospects look good in financial matters with problems arising only the latter part of the week. Look into the monetary possibilities of any proposition that comes up for your consideration.

Dear Aunt Sofa:

We've all been having a long discussion about who you are and what you look like. How about it? Care to let us know who you really are?

\$2500 REWARD

For information leading to the arrest and conviction of person(s) responsible for the burning of the OLD PLANTATION, Dallas, January 17, 1976.

Contact Chief Tumas, Arson Division, Dallas Fire Dept., (214) 742-6891. All information received will be held in strictest confidence by Chief Tumas.

ADVISE:

I have been asked in the past to publish a picture of myself. Well here it is, I hope it helps you out.

Dear Aunt Sofa:

The other night I was out on a local cruise circuit and stopped to talk to a guy walking around. It turned out he was out to make money by going home with people and being paid for sex. He told

me that he usually made about \$60 a day. This is all quite new to me. It seems to me that \$60 is a lot of money a day. Is this a very open field of endeavor? ADVISE:

Yes, I must admit \$60 a day would be a good salary in most any job. However, the security of the profession may not have much longevity. Some people working in prostitution make as much as two or three hundred dollars a day. But those are far and few between. You didn't mention why you have this interest. Sounds as if you're going to start a business for yourself.

HOUSTON PRICE WAR

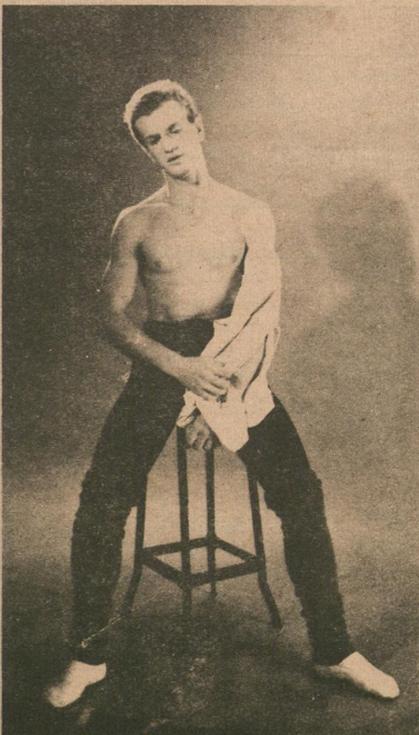

I'm sure most of us can remember the good old days of the gasoline price wars. You know the days when regular was only 24.9¢. Unfortunately the price war that is currently being waged in Houston is not gasoline. To the glee of many, it is mixed drinks! The super bar powers in Houston have once again so benevolently decided to see which bar can hold out the longest and lowered well drink prices to a bare minimum. Be sure to check the bar ads in the Nuntius for the best drink buys in town!
