MEMORANDUM

Houston, Texas,
July 12, 1928.

HOUSTON NEGRO HOSPITAL
Trees and Shrubbery

W. T. Sinclair, Secretary,
Building.

As an addition to the tracing previously prepared for that property, I would like that you have the street tree locations and spacing added, furnishing Mr. Wooding and myself (Ho-NY) copies of the revised print.

Tracing and prints should further show the curb line and location of sidewalks.

With the above information available, Mr. Wooding will secure estimates of the cost for furnishing and planting Live Oak trees, the estimates to be submitted on different ages and heights; further, contemplating that planting trees will be done in December.
