Chairman Advisory Committee,  
Houston Negro Hospital,  
Houston, Texas.

Dear Sir:

I appreciate your invitation of June 12th to attend the dedicatory service of your School of Nursing on June 19th, and am putting the date on my calendar with the expectation of availing myself of this privilege if matters shall not so develop as to prevent.

I have only constant good wishes for your institution, and am hoping that it will grow in number and influence and resources, so that it may do an even greater work than has been already accomplished by it.

Yours very truly,

(SGD) D. H. HOTCHKISS
