Department of Public Relations
Report for Senate Meeting
June 26, 2002

As the Director of Public Relations, I am responsible for ordering promotional items for SGA. I have decided on 6 different promo items that consist of pencils, hand clappers, felt pennants, stress relievers, pens, and poms. I felt that these items would fit the criteria for endorsing SGA whether we are at a conference or at a football game. I am happy to say that the amount that we are spending is way under the budgeted amount. In addition to promotional items I will be ordering our official SGA shirts soon. They will be professional looking with our embroidered logo on the front.

Furthermore, I wanted to report on the success of Casino Night. I want to thank everyone who was in attendance. I want to acknowledge Candice Idlebird, Samnang Koy (Sammi), April Spreeman-Harter, Kris Harter, John Poole, Zimuzo Agim, and Chigo Okere. Out of the Exec Board: myself (Victoria), Jon (your VP), Dawona, Tope, Babz, our IT director, and Rob. I am sure you heard or read in my email that it was a very successful event. I hope this becomes something SGA participates in every summer for Freshman Orientation.

If anyone has any questions regarding the promotional items or fees, please email, call, or come by my office.

Thank you.

7/20/02. I would like to incorporate Senator of the month and executive of the month. Pictures and accomplishments should be hung in the SGA or in their respective boards. I think that senators should vote for the exec of the month and all execs should vote for the Senator of the month.
