ROSTER OF PERSONNEL ATTACHED TO THE U.S.S. HOUSTON LOST IN
SUNDRA STRAITS, FEBRUARY 28, 1942

Names are listed alphabetically and total 1,068 officers and men. The 76 men whose names are prefixed with an asterisk (*) were killed in action in one of the early battles (most on February 4, 1942) or died in prisoner-of-war camps.

The 271 men whose names are prefixed with a number (#) sign are believed to have been returned to the United States.

The 731 names carrying no prefix symbols are mostly men who were missing and have been officially declared "Presumed Dead" as of 15 December 1945."
