HOUSTON, TEXAS

MEMORANDUM

Houston, Texas,  
December 1, 1931.

HOUSTON NEGRO HOSPITAL

Miss Nina Cullinan,  
Shadyside.

I visited the above with Dr. Slaughter this morning, and after being shown through, was amazed at the work they have done and are doing in both units.

Accordingly, I would suggest that at your earliest convenience you make engagements with Margaret and Edith, and if she could do so, ask Mrs. Monteith to accompany you and look over the plant.

In my opinion, the present superintendent is one of the most capable women I have known. The way she handles that institution to me is a credit to the City, to the donors, and to her race, and one that in my opinion deserves the encouragement of the entire community.

J. S. CULLINAN.
