

Liberty Loan

Dallas

December 26, 1917

Miss Antoinette Funk, Vice Chairman,
Woman's Liberty Loan Committee,
1814 North St.,
Washington, D. C.

My Dear Miss Funk:

Referring to your communication of December 7th addressed in envelope to Mrs. Minnie Fisher Cunningham, and announcing the organization in the Treasury Department of a Speakers' Bureau, under direction of Mr. Charles Horner, and advising that Mrs. Cunningham communicate with Mr. Horner if she contemplated arranging meetings of any importance:

Mrs. Cunningham is ill in Garfield Hospital, Washington City, where she went early in December to attend the National American Woman Suffrage Convention. Your letter goes to her, and it may be she could arrange to see you personally before leaving Washington, following her recovery. When I last heard, she was improving, and I sincerely trust Mrs. Cunningham may be able to see you.

Very truly yours,

Headquarters Secretary.
