Dear Fritz Leiber

I've had a letter from J. Thomas (address: Camera Obscuralaan 188, 1183 KD Amstelveen, Holland) of Holland-sf, the fanzine of Holland's national sf organisation NCSF, asking whether they could publish the Seacon GoH speeches.

Not only do they want permission to publish, but they'd like to have a copy of the text as soon as possible, so that they can get it translated & into their September issue.

If you'd like to let me know the answers, I can send them on - or you may prefer to write direct to Mr. Thomas. Incidentally, do you have any general principle regarding publication of your GoH speech - or do you prefer to decide according to the magazine concerned?

Best wishes

Sincerely

Colin Lester
