Mayor Bill White + Councilmen
City Hall
Houston, TX

Dear Mayor + Councilmen:

Please read the attached where I marked it in dark ink and then this letter.

Now, this time we are humbly asking the big honor of renaming Parque Hidalgo to "B Zermeno and M.S. Lopez" and naming the end of Mason Park on 15th and Tipps the same. I think he deserves this honor. I was just instrumental in pleading for his dreams to be realized and the City of Houston fulfilled his wonderful and magnificent dreams. Thanks Houston!

When I pass by these two parks and see the children playing, it gives me a big satisfaction and happiness that these youngsters are doing something fruitful by staying out of trouble.

Please, please help us -

Respectfully yours,

Mary S. Lopez
