Dear Miss Palmore:

O
Your letter of October 12 inquiring about admission to the University of Houston has been referred to me for reply.

I do not know from reading your letter that this is apropos; nevertheless, I must report to you that to date no Negro has been admitted to the University of Houston. The subject of desegregation is a matter of active study on the part of our Board of Governors. The decision to admit Negroes will be reported to the news services.

P
Meantime, I must tell you that I do not expect that decision to be made prior to the spring semester of 1960.

Sincerely,

Clanton W. Williams
President

To whom it may concern:

I am interested in doing some graduate work in your department of music theory during the spring semester of 1960. Kindly send me a catalog, an application form, and other materials which might be helpful.

I hold a B. S. degree (1956) from Juilliard School of Music (with honors) and an M. Mus. degree from the University of Michigan (1957). In both cases my major has been organ, with a minor in theory.

I am presently teaching organ, theory and piano at the college here.

I shall be happy to hear from you in the very near future.

Sincerely,
Sylvia Falmone.
