Houston, Texas,

April 22, 1926.

Mr. W. W. Moore,
Fidelity Trust Co.,
Houston, Texas.

Dear Mr. Moore:

Your letter of the 19th just received
and contents noted.

I shall be glad to be of any assistance
and service that I can along the lines suggested in
your letter and I am delighted to see someone taking
an interest in helping the negroes in our community.
They really need help and proper guidance and if you
will let me know when and where your first committee
meeting will take place to formulate by-laws, etc., I
will be glad to attend if it is possible for me to do
so, and if I am not there it will be because I am out
of the city on other business.

Very truly yours,

(Sgd) Ben Campbell
