Dear Mr. Atherley:

Your letter of June 11 addressed to the Registrar has been referred to me for reply in the absence of Dr. Clanton W. Williams, our academic vice president.

O
As you requested, we are sending under separate cover catalogs of our colleges of Technology and Engineering.

In reply to your question about racial integration, I must report to you that the matter of desegregation is currently a subject of serious study on the part of the University and its Board of Regents.

P
To assist you in your planning, the following information appears to be pertinent:

- Y
1. To date no Negro has been admitted to the University of Houston.
