Dear Mr. Lawson:

O  
Our Registrar has forwarded to me for reply your  
letter of December 2.

I regret to have to inform you that in that the  
University of Houston has not yet become racially  
integrated you would not be eligible for scholarship  
aid here.

P  
I suggest that your Dr. Christian might be able  
to assist you in learning where possibilities of

The Registrar  
University of Houston

Dear Sir:

It would be highly appreciated if you could oblige me with a copy of each of the following:

1. Admission Application Form.
2. Scholarship Application Form.
3. Bulletin of the Undergraduate College of Business Administration.

As an ambitious Foreign Student from Nigeria (West Africa), who is currently pursuing his education at the Florida Business and Vocational College in Jacksonville, Florida, I will very much like to continue my education at the University of Houston in the field of Business Administration after my graduating here in June, 1960 or earlier if possible.

I am presently on an eighteen months scholarship which expires in June, 1960. My dream of coming to the United States to pursue my ambition has been made a reality by the President of my college who kindly awarded me the present eighteen months scholarship, with the hope that I would or might succeed in gaining another award before the expiration of my present term.

My future depends mainly on my education; and in order to make a worthwhile future, I have decided to make appeals for another grant.

With reference to my scholastic ability, I am one of the top ten in the college, and this could be confirmed from either the Head of Business Department, or the Registrar; all of whom will be happy to recommend me if so desired.

Thank you for your prompt attention to my requests.

Very truly yours,

James Olu. Lawson
