

MADE STATE TOUR IN LIBERTY AUTO

MISS LAVINIA ENGLE.

Miss Lavinia Engle, a prominent woman in equal suffrage circles at Washington, Thursday returned to Dallas after a 1,500-mile tour through East and West Texas with a number of other prominent women, giving Liberty loan addresses at towns and villages. The trip was made in the "Liberty Loan Limited," a unique automobile, and required ten days. In that time Miss Engle addressed thirty-two meetings and sold thousands of bonds.
