

Suffrage Words to Tune of Yankee Doodle.

File 7
1917

Surely all men should insist
'Tis a duty clearly
In a good cause to enlist
And to act sincerely, -----

When the women so persist
And their cause hold dearly
Let us Aid the Suffragist,-
Nor with good words merely, -

But with will and votes resist
Acts that may seem nearly
To envelope in a mist
And to treat severely, -

Solemn question of the hour
Worthy full attention.
Here we pledge our utmost power
In the Cause we mention.
