My dear Friend:

I found your telegram on my desk upon my return from Washington. I have requested the Chief of Police at San Antonio, and the Public Safety Department, to give me a complete report on this matter, which I will in turn give to Secretary of State Hull.

I assure you of my appreciation of your writing me at any time, and of my wish to be of any assistance I can.

With kindest personal regards, I am

Sincerely yours,

Governor of Texas
