J. L. WEST,
ASS'T GEN'L FREIGHT AGENT.
O. C. GATLIN,
CONTRACTING AGENT.
W. G. PALMER,
TRAVELING FREIGHT AGENT.

Hon. S. H. Brashear, Mayor,
Houston, Tex.

Dear Sir:

It is my understanding that several years ago some brick paving was done in this city and that brick manufactured by the Coffeyville Vitrified Brick and Tile Co, of Coffeyville, Kas., was used. If you can find the time to do so and consider it not inconsistent will you not kindly advise me what satisfaction these brick have given as compared with other brick which have also been used from time to time. I might say in explanation that our system is interested in placing Coffeyville brick at different points for the reason that we reach Coffeyville and can enjoy the traffic and it is for the purpose of encouraging the use of their brick that we would like to have your opinion of them.

Yours truly,

Sam
