## CANDIDATES VOICE

The Alumni Office recently polled the Primary Candidates for Governor of Texas on their views regarding "the appointment of qualified Alumni to the Boards of Regents of their respective universities". Every effort was made to talk with each of the candidates and nine of the thirteen expressed an opinion.

Democratic Primary Candidate, with Alumni President, C. F. **Dolph Briscoe**, during a visit Kendall, indicated he "could see no reason why qualified Alumni should not serve as Regents of their institutions, and many reasons why they should".

Democratic Primary Candidate, **Ben Barnes**, stated "The Alumni of colleges and universities obviously have an understanding of the aims and programs of those institutions and I would certainly give Alumni top consideration for appointment to governing Boards. I do believe it is necessary for higher education to have the input of other qualified individuals. My main purpose would be to select the best available men and women for these positions".

Democratic Primary Candidate, **Frances Farenthold**, in her **Position Paper on Higher Education**, expresses the opinion that "citizens who represent a cross-section of the population, including educators and students", should be appointed to a Board of Regents for each college.

Republican Primary Candidate, **Albert Fay**, stated, "I favor, when practical, the appointment of qualified Alumni to the Boards of their respective universities. I have always favored this".

Republican Primary Candidate and University of Houston Alumnus, **Henry C. Grover**, believes the logical place for a Governor to look for prospective Regents is to the Alumni Organization of an institution".

Republican Primary Candidate, **Joseph Alton Jenkins**, states, "qualified Alumni should be on the Board of the university from which they graduated. They have a special interest in serving and I think they should be given every consideration".

Democratic Primary Candidate, **Robert E. Looney**, expressed the view, "the fact that they are Alumni should not disqualify them to serve as Regents of their universities. All persons should be considered equally".

Democratic Primary Candidate, **William H. Posey**, indicated he is "in favor of appointing qualified Alumni to the Board of Regents of their respective universities".

Democratic Primary Candidate, **Governor Preston Smith's** position on the question was given by his Press Secretary, Carlton Carl. Mr. Carl stated that Governor Smith "believes in having a good representation of the en-

tire state on the Boards of universities . . . but he does believe the people most familiar with a given school should be adequately represented on the Boards".

The Alumni Office was unable to contact Candidates John A. Hall, Thomas McElroy, David R. Reagan, and Gordon F. Wells to obtain their views on the question.

TELE-AUCTION

# NEW ALUMNI SEASON TICKET PROGRAM

It would seem there are two factors that explain the increase in the number of season tickets being ordered by Cougar Fans since the University of Houston accepted an invitation to join the Southwest Conference last May. One is the growing speculation that we will need a season ticket just to get in the Astrodome to see the Cougars play any of their SWC rivals. The other factor is the realization that we will probably have to be season ticket holders to get a seat for our Southwest Conference games played in our opponent's stadium, because season ticket holders get an option on those tickets too.

Currently, a majority of the 50,000 seats in the Dome are committed to season ticket holders, who have an option to renew their seats each year, or they are committed to the University of Houston Student Body or the opposing school as required by NCAA rules.

by Dean Kirkpatrick, B.B.A.-'70  
Alumni Executive Director

Realizing that a shortage of seats will soon occur the University of Houston Athletic Department has set aside the best of the remaining season ticket seats to be offered to The Alumni before they are placed on sale to the general public. Beginning this year Active Alumni Members will have an opportunity to order season tickets through the Alumni Office and to renew those tickets each year.

Season tickets in the group set aside are located in the following sections; from the west 40 yard line to beyond the west end zone in the Field Boxes, from the east goal line to beyond

the east end zone in the Mezzanine Boxes, from the east 40 yard line to beyond the east end zone and from the west 10 yard line to beyond the west end zone in the Loge, and from the east 10 yard line to the west 20 yard line in the Upper (yellow) Section. This group of tickets set aside for The Alumni will be sold on a first come first served basis until all the tickets are gone or the deadline for sale to the general public arrives.

If you presently hold season tickets your seats will not be affected by this program. If you do not have season tickets the statement "every seat in the Dome is a good seat" may soon become especially meaningful. May we urge that you contact the Alumni Office as soon as possible for information about ordering season tickets in this special group set aside for The Alumni. Information is also available on joining the Astrodome Club during football season.

# Alumni Directory To Be Published For 1972

Alumni members can look forward to receiving a complete Alumni Directory of the nearly 55,000 UH alumni of record this year. It will contain listings for all "exes" in the Alumni files showing their name, complete address, college attended and year of last attendance or graduation. N. Dean Kirkpatrick, Executive Director of the Alumni Offices noted that all Alumni who

are active members through their payment of dues, or contributions to the Annual Alumni Fund would appear in the directory in a special way. A special "Alumni Yellow Pages" will be included in the directory to let alumni know about the availability of goods and services and businesses operated by their fellow alumni. "This is an excellent opportunity for Alumni in busi-

ness to reach many of the 38,000 alumni who live in Harris County alone," said Kirkpatrick. ## ANNUAL ALL SPORTS DINNER HAILS "WINNING SPIRIT"

The Third Annual Alumni All Sports Dinner held this year in the Grand Ballroom of the Marriott was a real tribute to the fine Cougar players and coaches honored at the affair and the outstanding performance of 60 Alumni volunteers who sold tickets to the Dinner. The WINNING SPIRIT that has made the University of Houston Athletic Program the best all around program in the state, and one of the best in the country was matched by the dedicated group of Ticket Committee members, who sold over 500 tickets to this great event.

With the leadership of JIM SHINDLER as Chairman of the Alumni Athletic Committee and HARRY HEDGES as Chairman of the Ticket Committee, these Alumni produced the greatest EVENING WITH THE COUGARS ever held, with over 1,000 people on hand at the Dinner. The Ticket Committee was divided between OFFENSE, coached by STAN BINION, and DEFENSE, coached by BOB HUSMANN. The offensive teams included the DUNKERS, CAPTAIN BILL MORSE, JR., the DRIVERS, CAPTAIN DICK TINSLEY, the MALICE MEN, CAPTAIN TINSLEY JONES, the SPRINTERS, CAPTAIN DIANNE MILLER, and the HITTERS, CAPTAIN CHARLIE

JONES. The defensive teams included the REBOUNDERS, CAPTAIN JEB SWINFORD, the PUTTERS, CAPTAIN DICK PARTCH, the MAD DOGS, CAPTAIN CALVIN MORGAN, the SPIKERS, CAPTAIN JOHN NORTON, and the PITCHERS, CAPTAIN CHARLES KEMP.

The Dinner, held on April 26, was highlighted by DICK PROCTOR, as Master of Ceremonies for the third straight year. The COUGAR BRASS, directed by BILL MOFFIT, was on hand to set an enthusiastic tone, and the University of Houston Cheerleaders and Honeys escorted each guest to his seat. Head table guests included PRESIDENT and MRS. PHILIP G. HOFFMAN, ALUMNI PRESIDENT and MRS. C. F. KENDALL, ALUMNI EXECUTIVE DIRECTOR, DEAN KIRKPATRICK, the Head Coaches of the 7 Cougar Sports recognized by the NCAA, MR. and MRS. CHARLES SAUNDERS, and MR. and MRS. PROCTOR.

The Ceremonies included the presentation of the Most Valuable Player Award to DWIGHT DAVIS in Basketball, IVAN McCLEERY in Cross Country, ROBERT NEWHOUSE in Football, CORKER DE LOACH in golf, JIM McCARTY in Swimming, LEE MERRY in Tennis, MEHDI JAOU-

HAR in Track and TOM DUSCHENSKI in Baseball.

Top Cougar rusher, BOB "GATOR" NEWHOUSE was also honored as the Top Texas Running Back by Texas Football Magazine with the BIBLE AWARD. These awards were followed by the announcement of the SAUNDERS AWARD recipient. This award was presented by MR. CHARLES SAUNDERS, JR. to the outstanding Scholar/Athlete of 1971-72.

The Awards Ceremonies concluded with the installation of new members of the University of Houston Athletic Hall of Honor. The Hall of Honor Award of Merit and Distinction, presented last year to GUY LEWIS, GENE SHANNON, and REX BAXTER, JR., was this year awarded to JOHN HOFF and GARY PHILLIPS.

A painting of THE AWARD was unveiled by Hall of Honor President C. F. Kendall. The painting by University graduate and former football player, MARK CLAPHAM, depicted a bronze cast of the Official University Cougar. The sculpture, when completed, will be 3 feet by 1½ feet and will be placed in the Hall of Honor Room on campus. Honorees will receive a smaller bronze casting of the same figure and their likeness will be etched in brass and placed in the Hall of Honor Room.

In keeping with established tradition, Dr. Philip G. Hoffman, closed the Dinner with some well chosen words about the contribution made by athletes and athletics to the University.
