(Blm) HOUSTON NEGRO HOSPITAL
School of Nursing
Dedication Ceremonies
June 19, 1931

My dear Judge Moore:

I have your courteous invitation to attend the dedication of the Houston Negro Hospital on the nineteenth of the present month. I assure you that nothing would give me greater pleasure than to visit Houston again to renew my acquaintance with you and to spend some days with my dear friends the Cullinans. As I see it now, however, that is impossible at the present time. I very much hope the occasion will be as notable and successful as you wish it to be and that the institution founded through the generosity of Mr. Cullinan and his associates in Houston will continue to have many years of usefulness^{of} of service for the colored people of your section.

With high regards and compliments to Mrs. Moore and hoping all your family are in good health, I am, as always

Yours sincerely,

RC:MS
