Mr. J. S. Cullinan,
Petroleum Building
Houston, Texas.

Dear Sir:

This comes to advise that in keeping with your request to Mr. Starkie of Feb'y 23, 1932 our Streets are being worked again and again and are passable for Ambulances with greater comfort to the suffers, also to those who come to work with us or as guests.

We are deeply grateful for such kindly interest to us all.

Very truly yours,

M. H. Bright
