HOUSTON NEGRO HOSPITAL

Honorable Oscar Holcömbe,
Mayor of Houston,
City Hall,
Houston, Texas.

Dear sir:

I thank you for your note to me of July 8th advising that the Council will be glad to discuss the affairs of the above hospital with me at its meeting on Wednesday, July 12th, 1933 at 10:30 A.M. Unfortunately, I am still tied up as attorney in a law suit and will be constantly engaged in Court throughout the rest of this week and can not at this time avail myself personally of the courtesy extended.

However, I have discussed this matter with Dr. J. W. Slaughter, who is familiar with the operations of the hospital, and he, being Vice-President of our Advisory Committee, has agreed to represent me at such meeting. I trust that sufficient information can be developed that will enable us to work out in a satisfactory manner the problem of medical service at the Houston Negro Hospital.

Thanking you for your attention to the matter, I am

Very truly yours,
