Mr. S. R. Leach, Manager,  
York Engineering & Supply Co.,  
2211 Texas Avenue,  
Houston, Texas.

Dear Sir:

We are enclosing herewith our Houston check, No. 13726, in the amount of \$768.50, being amount of requisition approved by Mr. Maurice J. Sullivan, Architect, as first payment on your contract on the Houston Negro Hospital.

This confirms our understanding that the trade acceptances, which you forwarded in the amount of \$384.25 each, due thirty and sixty days after May 19, 1926, need not be executed by this Company. Further that you will render invoices through Mr. Maurice J. Sullivan's office for the payments due on equipment furnished by you in the amount of the above mentioned trade acceptances, and upon approval from Mr. Sullivan this Company will issue our checks to cover same.

We are returning the trade acceptances heretofore forwarded to us which have not been executed.

Very truly yours,

(SIGNED) T. W. ARCHER

Secretary.
