Mr. J.S. Cullinan,
Petroleum Building
Houston, Texas.

My dear Mr. Cullinan:

I acknowledge with thanks receipt of a copy of your letter to Mr. Starkey in regards to the Streets of our community. I am pleased to say that there is improvement, still the wash outs are very marked on Elgin.

I am sure that with the hold up of the rain fall, and their continued attention, it will be much improved.

I am deeply grateful for your kindly interest, do not wait so long to come back.

With thanks for this and all other remembrances,
I am,

Very truly yours,

M. H. Bright
