Senior Banquet Dance Slated Tonight at The Rice Hotel

Class of '41 Stages Dance Tonight at 9

This will be a night to remember for the class of '41, for at nine o'clock on the Rice Roof the curtain will rise on the affair of the year for the senior class. Ed Gerlach was applauded so heartily at his last appearance here, on the occasion of the Junior dance, that the senior dance committee decided to book him for a return engagement, Will Gay said.

The dance is to be semi-formal, and will last from nine o'clock until one a.m.

The senior banquet will be held in the Spanish American Room of the Rice Hotel at 6:30 p.m.

Lee Keding and Alice David, co-chairman of the affair will lead singing, and Richard Jenkins and Gabriel Fransee, senior, will each sing solos. Charlotte Walser has prepared a humorous skit by class members.

There will be brief speeches by Class President Will Gay, Dr. E. E. Oberdtzter, Dr. W. W. Kemmerer, Dean N. K. Dupre, and Dr. H. L. Mills, Mr. and Mrs. H. R. Cullen are also to be guests, as are Mr. and Mrs. Julius J. Settegast, who gave part of the site of the University; Mr. Ben Taub, another donor; Mr. James W. Rockwell; Mrs. Oberholtzer; Mrs. Dupre; Mrs. Kemmerer, Mrs. Pearl C. Bender; Dr. and Mrs. J. S. Werlin; and Mr. Jules Vern.

Committee heads are Ruth Crawford decorations; Fletcher Dailey, tickets; Lee Keding, program; Mary Susan Johnston, banquet.

Faculty Chooses Outstanding People

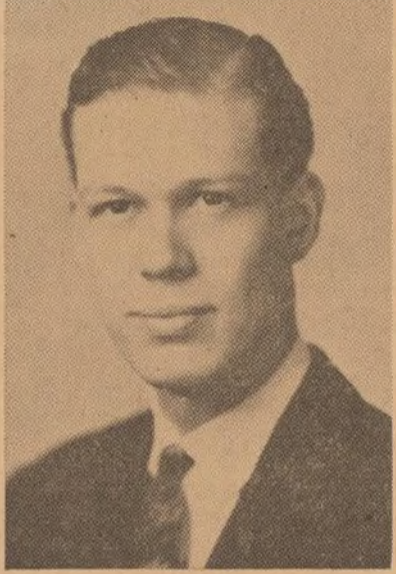

Students who will be honored by inclusion in the section of "Outstanding People" of the 1941 Houstonian, University of Houston yearbook, were announced this week by Billy Miller, editor.

These students are Weed Peterson Ray Campbell, and Jack Valenti, representing the student government; Charles Brigance, Tom Yerxa, Ala. Lohse, Alice David, Elizabeth Cason, Louise Butler, Gene Cuny, and Joe Koppel, representing various campus organizations and activities.

Ralph Wilson, outstanding in art work; King Stewart and Charles Sauners, dramatics students; Billy Mille, representing publications; and Lee S. Keding, Asa Martin, and Arthur Poxon, outstanding scholars.

Members of the faculty collaborated with the Houstonian editorial staff in making these selections.

Tom Menefee Ray Campbell

Menefee and Campbell are candidates for Student Association Presidency.

Candidates Submit Platforms To Voters As May 21, 22 Election Date Draws Near

Tom Menefee and Ray Campbell, candidates for presidency of the Student Association to be elected on May 21 and 22, have submitted their platforms to the Cougar. Information on other candidates for student association officers to be elected on the same date, may be found on page two of the Cougar. Polls will open from 9 a. m. to 1 p. m. and from 6 p. m. to 9 p. m. in the evenings on both days. Voting is expected to be heavy.

Campbell's platform is as follows: "I believe that our University is on the threshold of the greatest future of any school in the world. Even now we have the fourth largest enrollment of all the colleges in Texas. We are in both word and fact a university of progress."

Menefee's platform follows: "Students of the University: "I offer my energetic application of full time to the office of President. This decision on my part is the result of much serious and somber thinking because I realize the dignity and importance of this high office."

Continued on page 2

"Bicameral legislation has heretofore existed in name and not fact; however, there has been passed recently a bill to assure bicameral legislation in practice. This much-needed reform will have my wholehearted cooperation and I shall work with both bodies for a more unified government."

"The student body has the right, by petition, to voice its opinions in student government. I feel that this privilege should be exercised more frequently, and I shall consider it my duty to accept constructive student criticism. We need new blood"

U. of H. Professors Speak Next Week

Several University of Houston professors will deliver commencement addresses next week.

Mr. Harvey W. Harris will give the commencement address at Spring on May 22. On May 23 he will deliver the commencement address at Magnolia for the second consecutive year. He will speak to graduates at Mont Belvieu on May 31. His subject will be "Refining Processes of Life," or building a personality.

Dr. Roy A. Crouch will deliver the commencement address at Lamarque, Texas, on May 23.

Mr. Leon G. Halden will address the graduates at Eagle Lake on May 27 and at Cypress on May 29.

Dr. Arvin N. Donner, professor of education, will direct the summer workshop at the University, will give the commencement address at Webster on May 27 and the address at Katy on May 30.

8,000 See Fiesta In Three Nights

After witnessing the obvious enjoyment of Frontier Fiesta crowds and counting box-office receipts, directors and participants of Fiesta concessions are acclaiming the project as a big success.

More than eight thousand people visited the Fiesta during its three night run, according to Dr. Kemmerer, and cash receipts totaled \$2319, not counting ticket sales.

On the first night of the Fiesta approximately one thousand people witnessed the presentation of the Red Masque production "Gold in the Hills," joining into the spirit of the play by cheering for the hero, hissing the villain. The melodrama was directed by L. Standlee Mitchell, who also served as chief adviser to the Frontier Fiesta committee.

Rosemary Neveu, Sam Houston representative in the beauty pageant, was unanimously elected as the most beautiful Houston high school girl by the judges on the second night of the Fiesta. About 5000 saw this pageant.

On the final night, ex-students, students, and visitors saw the faculty burlesque, "No Rhyme Nor Reason," written by Gene Cuny. On this night the members of the ex-students association were entertained with a barbecue dinner, cowboy music, and an address by Mr. T. L. Evans on "Our Neighbors to the South."

Harvest Contest Winners Announced

Miss Ruth Pennybacker, chairman of the English department, announces that the work of twenty-nine different authors has been accepted for publications in the 1941 Harvest, annual publication containing literary and artistic work by University students. Thirty-seven stories, poems, essays and sketches from real life will be published. The authors range from freshmen to graduate students. The Harvest will be extensively illustrated by members of the Department of Fine Arts under the direction of Robert W. Talley, Chairman of that Department.

There will be short stories by Alpha Chelf, Gene Cuny, George W. Miller, Margaret Millsap, H. R. McConnell, Arthur Streb, and Bernice Tillman. The poetry will be by Frederic Hand, George Lord, Bernice Tillman, John B. Searce, Lavelle Williams. The essays and sketches are by the following students: Joe

\$1100 Scholarship Given University By Woman's Club

A \$1100 scholarship was given the University of Houston Thursday night by the Business and Professional Women's Club.

The scholarship was presented at a banquet given by the club in honor of Dr. Ray K. Daily and Mrs. B. F. Coop, and was received for the University by President E. E. Oberholtzer.

The money has been turned over to the Student Loan Fund.

Friends of Library Plan 1941 Drive

Plans for the 1941 campaign of the University of Houston friends of the Library Committee were discussed at the luncheon and business meeting held Monday at the University.

The group expects to build our library to 50,000 volumes; at present we have 15,000, Mrs. Wikoff said.

Before the luncheon the committee visited the library to see the books purchased with their funds.

Continued on page 2

Advance Tickets Bring In \$1,325

Dick Schill, manager of the advance sale of Frontier Fiesta tickets for the second time, announced the net return of \$1,325 as the Cougar goes to press.

A loving cup donated by Oshman's was awarded to the Buckaroos for selling the most tickets. Ginger Roberti accounted for most of the Buckaroo sales. The Business Administration club ran a close second; and a most outstanding record was made by the third place Young American Forum whose active members total only twenty-five, Schill said.

According to Dr. Kemmerer, the advance ticket receipts were clear profit, as the cash taken in on the grounds was sufficient for expenses.

"Of Mice and Men"

Clopton West was co-starred Tuesday with a little mouse in a drama which fizzled in act one, and ended tragically for the mouse some acts later.

Pranksters, envisioning a scene of wild excitement, released the mouse in the calm reading room, but before it could even nibble a table leg, Clopton seized upon it and bore it off to the science laboratory. Clopton collects snakes. Miss Osborne doesn't like mice; but snakes do.

—Or was it comic opera?

Employment Dept. Has Jobs to Offer

Jobs for qualified people—part-time or full-time, jobs which will enable students to go to school or to stay in school, or permanent placements—Mr. Murry Miller has them on his list.

"I had eighteen requests Tuesday," Mr. Miller said, "and I had qualified applicants for only six of them."

Mr. Miller urged that all students or prospective students enroll with the employment service at once. The office has a new supply of application forms, he said.

Requests have come in recently for chemists, machine workers, office workers, teachers, men to work in a warehouse, and many others.

"We have placed about 250 people during the present school year," Mr. Miller said.

Continued on page 4

Thanks to Our Many Friends

The list of Houstonians who donated services or goods to the University of Houston Fiesta would be far too long to print in the Cougar, even if we excluded all people connected with the University.

Furthermore, even had we the room, we would be sure to omit many from our list.

To all of them the Cougar, speaking in behalf of the entire student body and faculty, extends heartfelt thanks.

Particularly we thank the various publicity media which gave so generously of their support—the time service, the three local papers, the donors of advertising space in the newspapers, the radio stations, the downtown sign company which gave us the prominent display space, civic clubs, and many others.

Certainly the Frontier Fiesta was called to the attention of the general public from the kick-off on the whiskers contest on through the faculty "bur-ly-kew."

We didn't get rich in money—but we did get rich in experience; through co-operative effort we added to our treasure of school spirit; and, best of all, we renewed thousands of old friendships and added others to our store of friends—the greatest riches a University can have.

Council Positions Aspirants Reviewed

By "Cactus" Jack Valenti
(Last of a Series)

Since the first harbingers of a heated political campaign for representatives of the Student Association have manifested themselves, it might be well for us if we knew the candidates, something about them and for what they stand.

The highest and most revered position that the University can bestow upon a student is that of the Presidency of the Student Association. The prestige and respect that this position commands makes it extremely coveted. He presides over all Council meetings and is official spokesman for the student body in matters of dispute. He is the premier statesman of the University.

This year opposing candidates are Tom Menefee and Ray Campbell. Menefee served as Construction Manager of the Fiesta this year. This is his first venture into politics. His strong following include many of the outstanding students of the University. Menefee, a big, reticent fellow stated that he would do his "utmost to do honor and justice to the office of President."

Campbell, six foot three and a veteran of the political wars, was the president last year of the Junior class. He is a member this year of the Assembly. Campbell said "I shall continue to fight for the things I believe in, that the school believes in."

From those two will come the acknowledged leader of the University of Houston student body for 1941-42.

The second most important office is, of course, the Vice-Presidency of the Student Association. He wields a great deal of power, in fact, some are inclined to think that this office is the most powerful in the school. The Vice-President presides over the Student Assembly, incubator for practically all vital legislation since the passage of the bicameral legislative bill. He also presides over the Student Council when the President is absent. He is, in name and in delegation, the second in command of the student body.

Aspirants for this position are: Franklin Walker, president of the night junior class. Walker has long been active in the University political and social life. He has appeared

in many Red Masque productions and is an accomplished actor.

Hal Berry, former Councilman-at-large and former president of the Pre-Law club. Berry served this year as assistant publicity head of the Fiesta. Berry, a chunky, energetic fellow is also a Red Masquer and had the lead in the "Mellow-drama" presented at the Fiesta.

Jerry Leinweber, last year's freshman president of the day school. Leinweber has for the last two years been the proprietor of the Taxi Dance. A tall, well-built fellow, Leinweber has long been prominent in University social life.

Ed Davis, secretary of the Pre-Law Club. Davis, the least known politically of the four candidates, is tight-lipped about his campaign plans, but will no doubt make a spirited race.

There you have them. Walker, Berry, Leinweber and Davis; to one of them will be entrusted the highly important duties of presiding over the Assembly and assisting the President. Upon his shoulders will fall the mantle of progressive leadership.

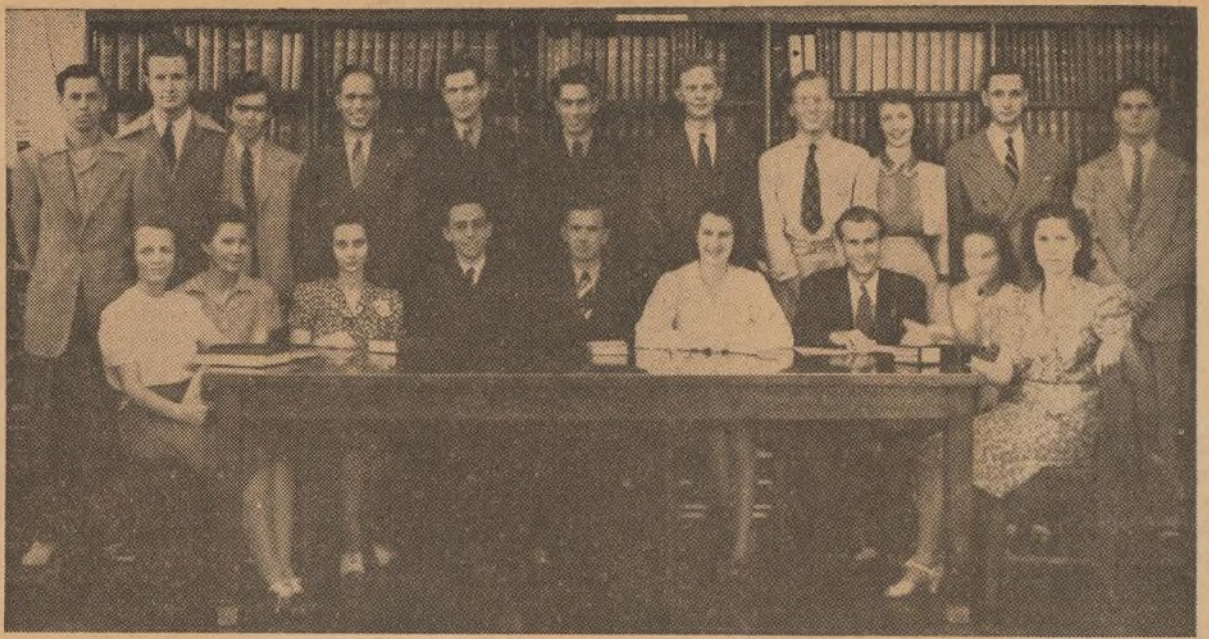

The Secretary of the Student Association is a position of great import. The Secretary is the axis upon which the business of the Council revolves. The multitudinous duties of the Secretary include recording minutes of each Council member, handling all correspondence of the Council, dispensing all information concerning Council business to the papers, acting as liaison between the Dean and the Council as regards all resolutions to be signed, informing all members of meetings and a score of other tasks that may arise. The very onerousness of these duties make it imperative that competent students fill this position. Candidates for the Secretary are:

Grace Keller, 21, a graduate of San Jacinto. Keller was one of the assistant managers of the Frontier Fiesta. She said when questioned, "I fully realize the importance of this position and I shall do my utmost to justify the faith of my supporters."

Lela Blount, 21, a graduate of San Jacinto. She is prominent in dramatic circles, having both acted and directed productions. She stated, "I sincerely believe that I can fulfill the various duties that this office entails. I shall surely do all within my power to be a useful member of the Council."

In 1939, a modification of the Council make-up brought into being the two Councilman-at-large positions. They represent the entire student body. The very fact that they

Their Work Will Appear In Harvest

Writers who work appear in 1941 Harvest. Standing, left to right: Edward Smith, Charles Conroy, John Leach, Arthur Streb, H. R. McConnell, Ralph W. Plummer, P. R. Brooks, Charles Zerwekh, June Ray, Gene Cuny, and Joe E. Andrews. Seated, left to right: Mrs. Hedy Hamblen, Margaret Millsap, Mrs. Ruth Bohan, Chester R. Buckner, Robert A. Jircik, Alpha Chelf, George W. Miller, LaVelle Williams, Bernice Tillman. Other authors who do not appear in the picture are: Blewett E. Chenault, Jack Daly, Albert Farias, Frederic Hand, George Hockmeyer, George Lord, John B. Scarce, William Sprague, Harryette Sproule.

represent no specific class indicates that they must be of an impartial temper so as to legislate wisely and cogently for the benefit of the school as a whole. The candidates are:

Position No. 1 (numbers for identification purposes only): Dick Schill, 21, a product of St. Thomas. Schill was ticket chairman of the Fiesta. He is a sophomore. Schill stated that he would initiate legislation to "foster good, clean student government and mutual friendship and goodwill between the University and other colleges."

Johnny Goyen, 20, a graduate of San Jacinto. Goyen is president of the night sophomore class and night school director of the Fiesta. Goyen said, "I believe with construction of a high school stadium in our immediate vicinity, intercollegiate and surely intramural athletics, especially football, can be started. I shall do my very best to see some beginning at least in that direction."

Clopton West, 22, a graduate of San Jacinto and a junior in the University. West stated he is in favor of "a twenty-five-cent fee assessed all students when they register to insure the publication of a six-page weekly newspaper."

For Position No. 2: Maryanne Flanagan, 20, a product of Tyler, Texas, and a junior. Flanagan is editor of the Cougar. "I have been associated with the fight for progressive government all year, and I know its problems and difficulties. I intend to carry on in the cause of student representation," she stated. "To take our place among outstanding college governments, we must have a 'for, by and of' council."

John Sargent, known as "Pile Driver," 23, and a sophomore. Sargent stated that "I firmly believe the wishes of the students should be carried out, and shall attempt liberal, constructive reform." Sargent hailed from Chickasaw, Alabama and graduated from Sam Houston.

Rodney Alsup, 20, a graduate of San Jacinto and a sophomore. Alsup said, "I believe we need more participation in student government and shall strive toward that end."

Gene Coddou, 21, a graduate of Milby and a sophomore. Coddou stated, "I stand for greater cooperation between the Council and Assembly, and especially since the growth of day school, a better understanding between night and day school."

Mrs. Ruth S. Wikoff, librarian, and Miss Zella Osborne, assistant librarian, attended the meeting of the state librarians' convention in Galveston this past week-end.

Harvest Contest—

Continued from page 1

E. Andrews, Ruth Bohan, P. R. Brooks, Chester R. Buckner, W. Blewett Chenault, Chas. Conroy, Jack Daly, Albert Farias, Hery Hamblen, George Hockmeyer, Robert Jircik, John Leach, Ralph W. Plummer, June Ray, Edward Smith, Harryette Sproule, William H. Sprague, and Chas. Zerwekh.

The Department of Fine Arts has cooperated in the Harvest. Copies of all stories, sketches, essays and poems to be illustrated were turned over to Mr. Talley, art editor. All members of his class in illustration read them and were required to submit designs for the pieces that interested them; other students were also allowed to submit illustrations for consideration. Designs by eighteen different artists have been accepted to date by Mr. Talley and other members of the editorial board. The artists whose work has been accepted are Ethelyn Barrington, Jane Bryan, Velma Galny, Laverne Grissom, Gene Haardt, Alice Sue Jones, John Leach, Ruth Laird, Betty Lester, Alan Lohse, Boyd Miller, Lynne McKinney, Rosemary Pellerin, Nell Jean Stewart, Andrew Stirton, Glenera Thornton, Georgie Mae Wilson, Emily Wood, and Ruth Sims.

Menefee's Platform—

Continued from page 1

and new ideas to further insure progressive administration.

"This is my platform:

- "1. A full time president is needed. I have the time.
- "2. I favor a reasonable blanket tax to assure an improved and prompt publication of the Houstonian and Cougar.
- "3. I shall strive to slash unnecessary technicalities which have retarded student legislation.
- "4. I shall do everything in my power to encourage an enthusiastic response to all student activities.
- "5. I desire a closer union and more cooperation between the student body as a whole and the governing body.
- "6. I will cooperate whole-heartedly with all officers elected to other positions for the promotion of student welfare in the University of Houston.

"I humbly submit these suggestions for betterment of student government and activity. I shall stand by every one of my pledges. The decision of who is next to become the President of the Students Association is in your hands. I shall await your verdict with confidence.

Respectfully,
Tom Menefee"

Friends of Library—

Continued from page 1

Approximately \$1,850 worth of books are already in the library and other books are in transit.

Outstanding among the new purchases, Mrs. Wikoff, librarian, said, are: "Wild Flowers of North America," in five volumes with colored plates, and valued at \$100; "Oxford English Dictionary," valued at \$125; "Cambridge Ancient History," "America's Lost Plays"; Hutchinson's "Technical and Scientific Encyclopedia"; and Pitman's "Technical Dictionary of Engineering and Industrial Science," in seven languages.

Those attending the luncheon were Mrs. R. Wikoff, Mr. Leopold L. Meyer of Foley Brothers, Mr. and Mrs. H. R. Safford, Jr.; Mr. and Mrs. I. Arnold; Mrs. W. T. Carter, III, of Union National Bank and Mrs. Dorothy Trone Howe, formerly of the editorial staff of the Post.

Campbell's Platform—

Continued from page 1

"Like many other students, it is my desire to see this progress continued and as a candidate for the presidency of the Students Association, it is my belief that it can be continued by adopting the following objectives which I offer as my program when elected:

- "1. Establish strong student relations with all southwestern colleges.
 - a. Exchange of student government ideas and methods.
 - b. Exchange of beauty representatives and mutual visits to enhance friendship.
- "2. Cooperate with the Assembly for strong student government.
 - a. Establish stringent forms of procedure.
 - b. Strive for a greater voice in determination of policy; and more responsibility.
 - c. Consider revising the basis of representation to the Assembly.
- "3. Revise the Student Handbook.
 - a. Revision of constitutional and charter form.
 - b. Investigate forms used by other Universities.
- "4. Strive to secure an Independent Board of Regents for the University.
- "5. To advocate the installation of soap in all lounges.
- "6. Establish open Student Council meetings."

Respectfully,
Ray Campbell

Mrs. Edith Lord Carlton spoke recently to a group of 150 refugees from Europe on "Idiosyncrasies of the English Language."

COUGAR COLLEGIANS SPONSOR COTTON WEEK ON CAMPUS

The Cougar Collegians agreed Thursday to sponsor National Cotton Week on the University campus.

They are urging all students to come to school next week attired in cotton clothing.

Elizabeth Carlon is president of the club.

FRENCH CLUB MEETING

The final meeting of the French Club, "Les Mousquetaires," will be held next Thursday, May 22, at 1:30 o'clock in room 116-S, Norma Lynn Wood, president, announced Wednesday. The purpose of the meeting is election of officers for next year.

Science, Art Shows Attract Visitors

Several hundred of the thousands visiting the University of Houston midway detoured to see the art and science exhibits in the Science Building on the three nights of the Fiesta.

The biology, geology, physics, and chemistry departments all had separate shows, which were free to the public.

Approximately 300, "exclusive of people who tripped the counter twice," visited the physics laboratory and were enumerated by means of photo-electric eye set up at the door.

The most popular part of the physics show was the oscilloscope, a machine which pictures the voice pattern on a screen.

As visitors entered the exhibit they looked over an empty vase into a mirror and observed a beautiful bouquet of flowers which actually weren't there.

The electro-magnet principle was used in another display to make aluminum and brass hoops dance in the air in defiance of the laws of gravity.

A "thermo-couple" which has no power while cool, but which will hold a weight of 30 pounds when heated, a simple short wave broadcasting set which demonstrates the principles of the radio broadcast, a device which bends light rays in the manner of a periscope, plain water which appears to be colored, Geisler tubes which show the principle of neon lighting—these were among the other highlights of the exhibit, which was arranged by Mr. E. W. Schuhmann, professor of physics.

One device, which, Mr. Schuhmann says, once caused Galileo to be imprisoned, was a simple catapult which throws one shot and drops another, demonstrating the fact that gravitation will pull the two weights to the earth in the same time.

In the bacteriology exhibit, special and regular bacterial media were displayed, with disease-bringing (pathogenic) and harmless (non-pathogenic) microbes shown.

Another biology exhibit gave people an opportunity to discover their blood types.

Other exhibits showed the process of the urinalysis; kinds of sterilizing equipment; the incubation of organisms under conditions similar to those found in the human body; and forty species of fruit flies used in experimental research.

Some of the fruit flies shown have been taken through a process of mutation or evolution by application of x-rays. As a result of changes in the genes of germ plasms of these flies, some have developed characteristic glazed eyes, some have evolved curly wings, and others have on new body colors. Dr. L. E. Rosenblad arranged these exhibits.

Another part of the show revealed the complete life cycle of the fruit fly.

One of the most exciting of the science exhibits was that on herpetology or snakes. Ten varieties, including three deadly ones, have been collected from all over the country by Clopton West, biology student.

Charts, a detachable mannequin, the insect-devouring pitcher plant, a wide collection of leaves, plants and grasses, and a flouroscope enabling visitors to see the bones of their hands were among the other exhibits.

There were continuous showings

M. M. Feld Fund Is Renewed For '41

Dr. W. W. Kemmerer announced Thursday the receipt by the University of Houston of \$300 from Mr. M. M. Feld, president of Lone Star Bag and Bagging Co. The gift will be known as the M. M. Feld Fund for Research in Mexico.

The grant is a renewal of the one made in the summer of 1940, Dr. Kemmerer said.

Dr. Joseph S. Werlin and Dr. James M. Manfredini, professors in the University of Houston social science faculty, studied in Mexico City on the Feld grant last summer.

Dr. Werlin plans to go to Mexico the latter part of this summer for the purpose of renewing contacts with leading governmental and University officials in Mexico City and its vicinity.

He will procure the latest available materials on his special subject of study, the great social problems of Mexico City.

Glee Club To Sing In Wharton Thursday

The University Glee Club will be guests of the town of Wharton on Thursday night, Mr. King announced today.

Musical numbers will be excerpts from the operetta, "A Waltz Dream," (which, incidentally, has been postponed until the fall semester due to lack of time between the Fiesta and finals) and other songs from Tannhauser, Dvorjak, and lighter works.

Soloists will be Mary Van Velzer, Darold Perkins, and Raymond Pierson.

\$10 Will Be Awarded Senior Girls By Group

An award of ten dollars will be given to the outstanding senior girl, to be elected next week.

Dean N. K. Dupre is honorary chairman of the committee to select the girl. Others are Dr. A. N. Donner, Val Jean McCoy, Mrs. Bessie Ebaugh, L. Standlee Mitchell, N. S. Patterson, Mrs. Pearl McMullin, and Mrs. Pearl C. Bender.

The award is given by the Cougar Collegians and will be presented at the commencement exercises.

of science pictures in one of the science lecture rooms.

The art show attracted between 300 and 400 visitors during the Fiesta, Robert W. Talley, art professor, said.

In the two art rooms, charcoal drawings, water colors, oil drawings, and work in tempera were shown. They represented the talent of about 60 members of the University of Houston art department.

Over 600 saw the art exhibit on April 24-28 during the annual art show.

Campbell Elected New Pre-law Prexy

Ray Campbell was elected president of the Outer Chamber Pre-Law Club last Monday night at a regular meeting of the club. Other officers are Norman Atkinson, first vice-president; Ed Davis, second vice-president; Tom Menefee, secretary; John Sargent, sergeant-at-arms; Marion Charpiot, treasurer; Charles Stokely, historian.

New board members are Dick Schill, Charles Saunders, and Cruz Lopez.

Before the meeting started, entrance examinations were given to new members. A ruling of the club requires that the officers of the organization have a "B" average and the members have a grade average of "C." The grades of the members were checked by a committee before balloting began and it was found that all members met the requirement.

The next meeting of the club will be next Monday at 9 o'clock in Room 110-C. All members are urged to attend.

Faculty Announced For Workshop

At a workshop dinner Thursday evening, the faculty of the summer educational workshop was announced.

Visiting faculty members will include the following: Dr. Conchita Farquhar, Miss Celia McCall, Dr. Marion Monroe, and Mr. Leon E. Slavens, all of whom are authorities in their fields.

Dr. Arvin N. Donner will be director of the workshop, it was announced. Other members of the faculty will include the following: J. O. Webb, assistant superintendent of the Houston public schools; Harold E. Wigren, librarian, Houston public schools; Miss Pearle Tallman, assistant superintendent, Houston public schools; Miss Lora B. Peck, assistant superintendent, Houston public schools; Miss Mildred Hughes, art instructor, Houston public schools; Mr. Robert Talley, head of the department of art, University of Houston; and Mrs. Evelyn Thompson, department of English, University of Houston.

Dr. W. W. Kemmerer presided at the program following the dinner. There were 42 present from last year's faculty and student body.

Employment Dept.

Continued from page 1

He has recommended and secured positions for a number of teachers, and now he is seeking especially an industrial education teacher and a home economics teacher.

The employment service was inaugurated when the University first moved to the campus in June, 1939, with Mr. Miller in charge, and since that time has assisted hundreds of students. And many Houston business men say, "It helps us, too."

The fact is that an increasing number of business firms call him and say, "Any time you have a good prospect, send him to us"—an indication of the reputation the University is getting, as well as a compliment to the office and to Mr. Miller.

Mr. Miller's firm belief, one of the mottoes of his service is this: "Anyone who wants to secure a college education these days can do so—and work his way through."

IMPORTANT NOTICE TO SENIORS

Seniors desiring to participate in the graduation exercises must pay all tuition and graduation fees by May 19.

PSYCHOLOGY CLUB TO MEET

The Psychology Club will meet on Wednesday evening, May 21, at 8 p.m. The meeting is to be held at the home of Bette Davis. All members are urged to attend.

Norma Jean Schwewe attended the fifty-seventh annual Maifest at Brenham on May 15 as University of Houston representative. Henry Taub was her escort.

"Journalists—newspaper people—have the best chance to become magazine writers," B. J. O'Donnell, Harper's representative who spoke recently to English and journalism classes, told his audience. He went on to point numerous examples among the well-known present day writers and editors.

O'Donnell was here under sponsorship of Mrs. Bessie M. Ebaugh.

Kemmerers Retreat 'For the Duration'

A dive-bombing bluejay won a two-round skirmish with Dr. and Mrs. W. W. Kemmerer Tuesday morning.

Mrs. Kemmerer started outdoors at their home on 1915 Wentworth to take her small terrier for a walk.

A baby bluejay had fallen from the nest and lay on the ground, and the mother jay, an unusually large one, attacked viciously, giving Mrs. Kemmerer several minor scalp wounds before Dr. Kemmerer could brush the angry bird off. The bird then turned on Dr. Kemmerer, who wisely retreated to the office. The young jay also made its escape in the confusion.

During Tuesday the jay maintained a one-bird patrol of the premises, threatening anyone who looked out a window or door.

Mr. L. T. Hooker and Dr. Victor A. Greulich of the biology department said that while bluejays commonly attack dogs and cats, that attacks on human being are relatively infrequent, and that students need not don helmets for walks out-of-doors. Neither was willing to attribute the attack to the international situation.

Softballers Recoup With 7-4 Win

The University softball team is finally breaking loose and taking hold of itself after a hectic season of playing.

In a league game the other night with the Falstaff team the University team lost by one run, 5 to 4; but came back Tuesday afternoon, May 13, to wallop the Emsco ball club 7-4. Hope and Zagst alternated to pitch the team to victory.

That night, at Ripley Field, the University boys, playing for the First Christian Church team, won a good game from the College Memorial team, with Harry Hope playing his best game of the year to ring up a 9-2 triumph.

Big Collegiate Nite At Empire Room

This coming Tuesday night is the last student night at the Empire Room, and it will be a "Join the Gang Night" for University of Houston students. University students will be honored and a low admission will be in style.

NATIONWIDE—BUT NOT TOO BIG FOR FRIENDLY SERVICE!

With America out-of-doors It's Chesterfield

Smokers everywhere like their
COOLER, MILDER, BETTER TASTE

With outdoor lovers the country over, there's nothing like Chesterfield for a completely satisfying cigarette...they're always Cooler-Smoking, Definitely Milder and far Better-Tasting.

Chesterfield's right combination of the world's best cigarette tobaccos is the big reason for their ever-growing popularity.

EVERYWHERE YOU GO *They Satisfy*

Shown above are Ronald Reagan and Jane Wyman, famous movie couple. He is starring soon in "FLIGHT PATROL," she in "BAD MEN OF MISSOURI," both for Warner Bros.
