

THE PARK PEOPLE 2001 ANNUAL AWARDS DINNER A GREEN TIE AFFAIR

THE PARK PEOPLE
MISSION STATEMENT

*The Park People is a volunteer organization
dedicated to promoting the importance of parks
and open space. We provide advocacy and
services for the preservation, enhancement,
and expansion of green space in our community.
We are planters of trees, advocates of open space,
protectors and celebrators of our natural world.
We are, quite naturally, The Park People.*
