Hon. Maury Maverick
House of Representatives
Washington, D. C.

Dear Maury:

I am enclosing herewith photostatic copy of telegram dated February 15th, which I received from Archbishop A. J. Drossaerts. I wish you could either read this telegram over the phone to Father Ryan, or show it to him.

I am also sending you a copy of my speech in North Dakota. My secretary advises she sent you a copy quite a while ago, but it must have miscarried.

I want to thank you again for the many courtesies you extended me in Washington.

With every good wish, I am

Sincerely yours,

Governor of Texas

Enc.
