TO WHOM IT MAY CONCERN -

During December 1968, Mrs. Mary Lopez worked for two weeks as secretary for the Solids Processing Department of Brown & Root, Inc., 4100 Clinton Drive, Houston, Texas.

During her assignment with our department, Mrs. Lopez was taking over for our regular secretary while this lady was on vacation.

Mrs. Lopez performed her duties with both accuracy and speed and with a pleasant and most cooperative attitude. Although Mary was only with us for a short time we were very pleased with her work and deportment.

Very truly yours,

BROWN & ROOT, INC.
